

**Dr Isobel Monotti** BVSc MANZCVS MVS

Isobel joins the Murdoch surgery team as a lecturer in Small Animal Surgery. She completed a Bachelor of Veterinary Science at the University of Melbourne in 2011 and is a Member of the surgery chapter of the Australian and New Zealand College of Veterinary Scientists. She finished an ECVS residency program in small animal surgery and attained a master's degree in Veterinary Studies from the University of Melbourne in January 2019. Isobel has an interest in all things orthopaedic, particularly joint disease, arthroscopy and rehabilitation, with her research interests focusing on total hip replacements in dogs. Isobel is also the proud owner of a Kelpie cross that keeps her on her toes and in her running shoes.
