# Welcome to Murdoch

If you've seen any of our ads lately, you'll know we've made a vow to never stop discovering. Today, you can see our commitment to this vow first hand – and make some discoveries of your own. We'd like to invite you to explore our campus, visit our hotspots, ask those burning questions – and most importantly, have fun as you explore the possibilities for your future...

## Top 10 things to do while you're here

- 1** Grab your **free bag** containing information about Murdoch from one of our Welcome tents.
- 2** Enter our **competition** for a chance to win an iPad 2.
- 3** Head to Bush Court to visit the **courses and admissions**, and **postgraduate** tents; and our Student Centre.
- 4** If you're not sure what to study, visit our **Career Café** or use our online tool to figure out your course options in our computing lab room GCL1.
- 5** Join in with hands on activities and see displays at our course **hotspots**.
- 6** Meet our lecturers to **get answers** to your course and career questions.
- 7** **Meet our current students** to find out more about life at Murdoch.
- 8** Go to a **course talk** or **information session**.
- 9** Take a **campus tour by tram**.
- 10** Enjoy a great range of entertainment, including **live bands** from 1.00pm!

## Plan out your discoveries

With so much happening in so many areas around campus today, you might want to make like a uni student and follow a schedule! Feel free to use this space below to map out the talks, activities and sessions you really want to get to...

## Get started with course and career information at Bush Court...

If you made a vow to come along and find out more about courses, careers or uni life – we'll help you get some answers.

We have a range of information tents and areas set up in Bush Court to help you learn more about:

- **Courses and admissions**

Visit this tent to collect course materials, talk to our staff and get inspired by course options and admission pathways that lead to studying at Murdoch. [Map ref c8]

- **Careers**

Visit the Career Café to take a personality test and see what careers suit your personality type. Then, chat to a career advisor to discover the study options that could help you get there. [Map ref c7]

- **Postgraduate studies**

Visit this tent to find out how to expand your career prospects and add to your existing qualifications with postgraduate study. [Map ref d7]

- **Fees, enrolments and general information**

Step inside our Student Centre to learn about uni fees, HECS-HELP, general enrolment information or speak to our equity and scholarship representative. [Map ref b8]

## Don't miss our information sessions

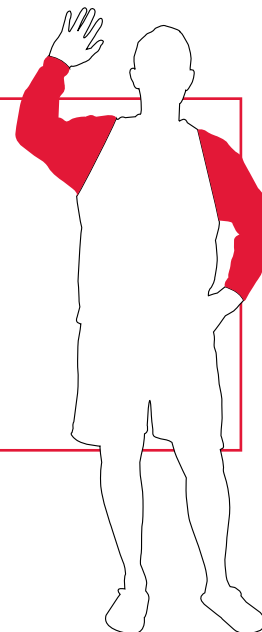

We have course talks for parents and high school students at the Kim Beazley Lecture Theatre. [Map ref d7]

11.30am - 12.00pm	<b>Surviving Year 12 - Parents' Guide</b>
12.00pm - 12.30pm	<b>Discovering and creating a rewarding career</b>
12.30pm - 1.00pm	<b>The life of a university student</b>
1.00pm - 1.30pm	<b>Alternative pathways for admission to Uni</b>
1.30pm - 2.00pm	<b>Discover the right course for you</b>

You can also experience life at Murdoch through **course talks** on every study area. Look at the hotspot activities on the next page for session times.

### We're here to help

If you need help finding your way around or have a question about something happening today, ask one of our friendly staff or students. They're the ones wearing the white tops with red sleeves.

## Get inspired at these course hotspots

Today you can walk with robots, see how video games are designed and even taste the difference marketing can make – thanks to a wide range of hands on activities and demonstrations around campus. Head to these hotspots to get involved, and talk to our lecturers and students if you'd like to find out more.

## Find out why this is no ordinary library

Our library is a world-class facility where our Murdoch community comes to learn, explore and collaborate. Our students can access work spaces and computer stations within our Library Learning Common facility 24 hours a day, 7 days a week. Today at our library, you can:

- Get hands on in our IT petting zoo (11.30am - 1.30pm).
- Join the Library Amazing Race for your chance to win an eBook reader\* (12.00pm - 2.00pm).
- Be challenged by our giant word sleuth and win a cool prize.
- Find our First Year Experience chill-out zone and add to our thought-provoking graffiti wall.
- Visit our Indigenous art collection in our art gallery.
- Chat with our OnTrack Program Coordinator about this alternative entry pathway to university.

If you need help to find your way to these activities or have any questions about the library, just ask our library staff. [Map ref e7]

## Murdoch International, Study Abroad and Exchange

Like to explore the world while you study at Murdoch? Visit our stand near The Student Centre. We'll tell you about the many study abroad and exchange opportunities at Murdoch, and you can play our world trivia quiz or pin the plane on a map for your chance to win a prize!

If you're here to find out more about studying in Australia, come and meet our friendly international liaison team. They can help you explore your course options and find out more about being an international student. [Map ref c8]

## Explore the social side of uni life

One of the best parts of uni life is the chance to meet new people. Pop into The Guild area on Bush Court to see the range of clubs you can join, meet our student representatives and learn about life as a Murdoch student. [Map ref d8]

## Are you a Murdoch University Graduate?

If so, welcome back! We'd love to find out what you've been up to since graduation. Come and visit Alumni Relations on Bush Court to enjoy a free morning or afternoon tea, relax at our outdoor café, and update your contact details to collect your special alumni gift. [Map ref c6]

## Join our mailing list for your chance to WIN an iPad 2!

If you join our mailing list on Open Day, we'll keep in touch with course, career and events news to help you further explore your options.

For today only, you'll also enter our prize draw for your chance to win an iPad 2\*.

To enter and join our mailing list, complete our competition form and drop it into an entry box located in Bush Court or any hotspot location. Good luck!

\*Terms and conditions apply.

## Enjoy our fantastic range of entertainment

We'll be honest. There aren't usually rides in Bush Court – but to celebrate Open Your Mind Day, we've got a range of new entertainment to enjoy:

- **Balloon modelling** – Watch as balloons get twisted to form a poodle, butterfly, flower and much more – and take one home.
- **Cup and saucer ride** – Giant cup. Giant saucer. Lots of spinning. Lots of fun.
- **Henna artist** – Get inked without the long-term commitment thanks to our henna expert.
- **Nova 93.7** – The Nova Casanovas are here today with lots of giveaways and games.
- **Silent disco** – Enjoy your own world of music as you hit the dance floor at our silent disco.
- **Simulator** – Hop in the simulator and see where it takes you!
- **The Red Bull chill out zone** – Take a break in the Red Bull tent with some Red Bull giveaways.
- **The under sea combo** – It's not just a bouncy castle, it's much more...

[Map ref c7]

## Roving performers

You'll also see roving performers from Bizircus around the stage during the band breaks. Enjoy!

## Live music

Once you have all the info and inspiration you need, come and see these bands performing live in Bush Court, thanks to our fantastic partnership with Sunset Events.

1.00pm – 1.40pm	<b>San Cisco</b>
2.00pm – 2.40pm	<b>The Brow Horn Orchestra</b>
3.00pm – 3.45pm	<b>Split Seconds - Headliner</b>

Discover why Split Seconds won WAMi Awards this year for Favourite Newcomer, Most Promising New Act, Best Indie Pop Act and Best Male Vocalist (Sean Pollard). [Map ref a8]

## Food and drinks

Choose from a fantastic range of food and drinks from outlets in the Food Court, around Bush Court and in the library. Unlike the cup and saucer ride, most of these options ARE usually here on campus for you to enjoy between classes. [Map ref c7]

## Explore our campus on a tram tour

Our campus covers an area of 227 hectares. It's the biggest university campus in Australia, so you may be glad to hear you don't need to explore it all by foot. Just hop on a free guided tram tour running from these stops every 15 minutes:

### Business hotspot stop

Learn more about our Business School at this stop or visit Psychology or Education and Humanities. You can also take a tour of the nearby Sports and Recreation Centre. [Grid ref b4]

### Chancellery Building stop

This stop is right next to Bush Court: the place to find course and career information, live bands, rides, food and more. [Map ref b9]

### Engineering Pilot Plant stop

Visit our world-class Engineering Pilot Plant, equipped with a centralised computer system, modern control room and processing unit. [Map ref b11]

### Vet Building stop

This is where we treat sick and injured animals, and train our next generation of vets. [Map ref h12]

### Law and Media Buildings stop

Check out our working courtroom, or explore our media studio, complete with TV and radio studios, newsrooms and more. [Map ref e5]

## Other tours around campus

### Chiropractic Clinic

Meet in the Social Sciences foyer to enjoy a guided tour of our fully operational Chiropractic Clinic. You'll see how our students learn inside a professional clinic setting and will see sports strapping in action.

*Tours start at 11.30am and 3.00pm.*  
[Map ref d6]

### Kulbardi Aboriginal Centre

Murdoch University is built on Nyungar land and is home to the Kulbardi Aboriginal Centre. Today the centre is open for a tour and Q&A session. Outside, you'll have the opportunity to create your own rock art, take some indigenous seedlings home to plant, or discover the healing powers of the didgeridoo.

*Meet at 1.00pm by the Kulbardi stand in Bower Court for the one-hour tour.*  
[Map ref d6]

### Sports and Recreation Centre

Health and fitness is an important part of uni life – so visit our centre to learn more about our sports clubs, facilities, tertiary sports and uni games.

*View the Centre from 10.00am to 4.00pm.*  
[Map ref a6]

### Student accommodation

Explore our vibrant Student Village, home to more than 800 live-in students from around the world.

*Student Village tours depart every hour from the tent near The Student Centre.*  
[Map ref c8]

### Supercomputer facility

Visit our supercomputer facility to play games, observe cellular functions and find where you live. It is the second biggest supercomputer in Australia and ranked in the top 100 supercomputers on the planet.

*Meet at the end of the Social Sciences breezeway at 12.00pm, 1.00pm and 2.00pm.* [Map ref d5]

### Vet Hospital

Take a tour of our vet facilities to see where sick and injured animals are treated – and see some amazing examples of nature at work.

*Tours start from the Veterinary Building breezeway at 11.30am and 2.00pm.* [Map ref g12]

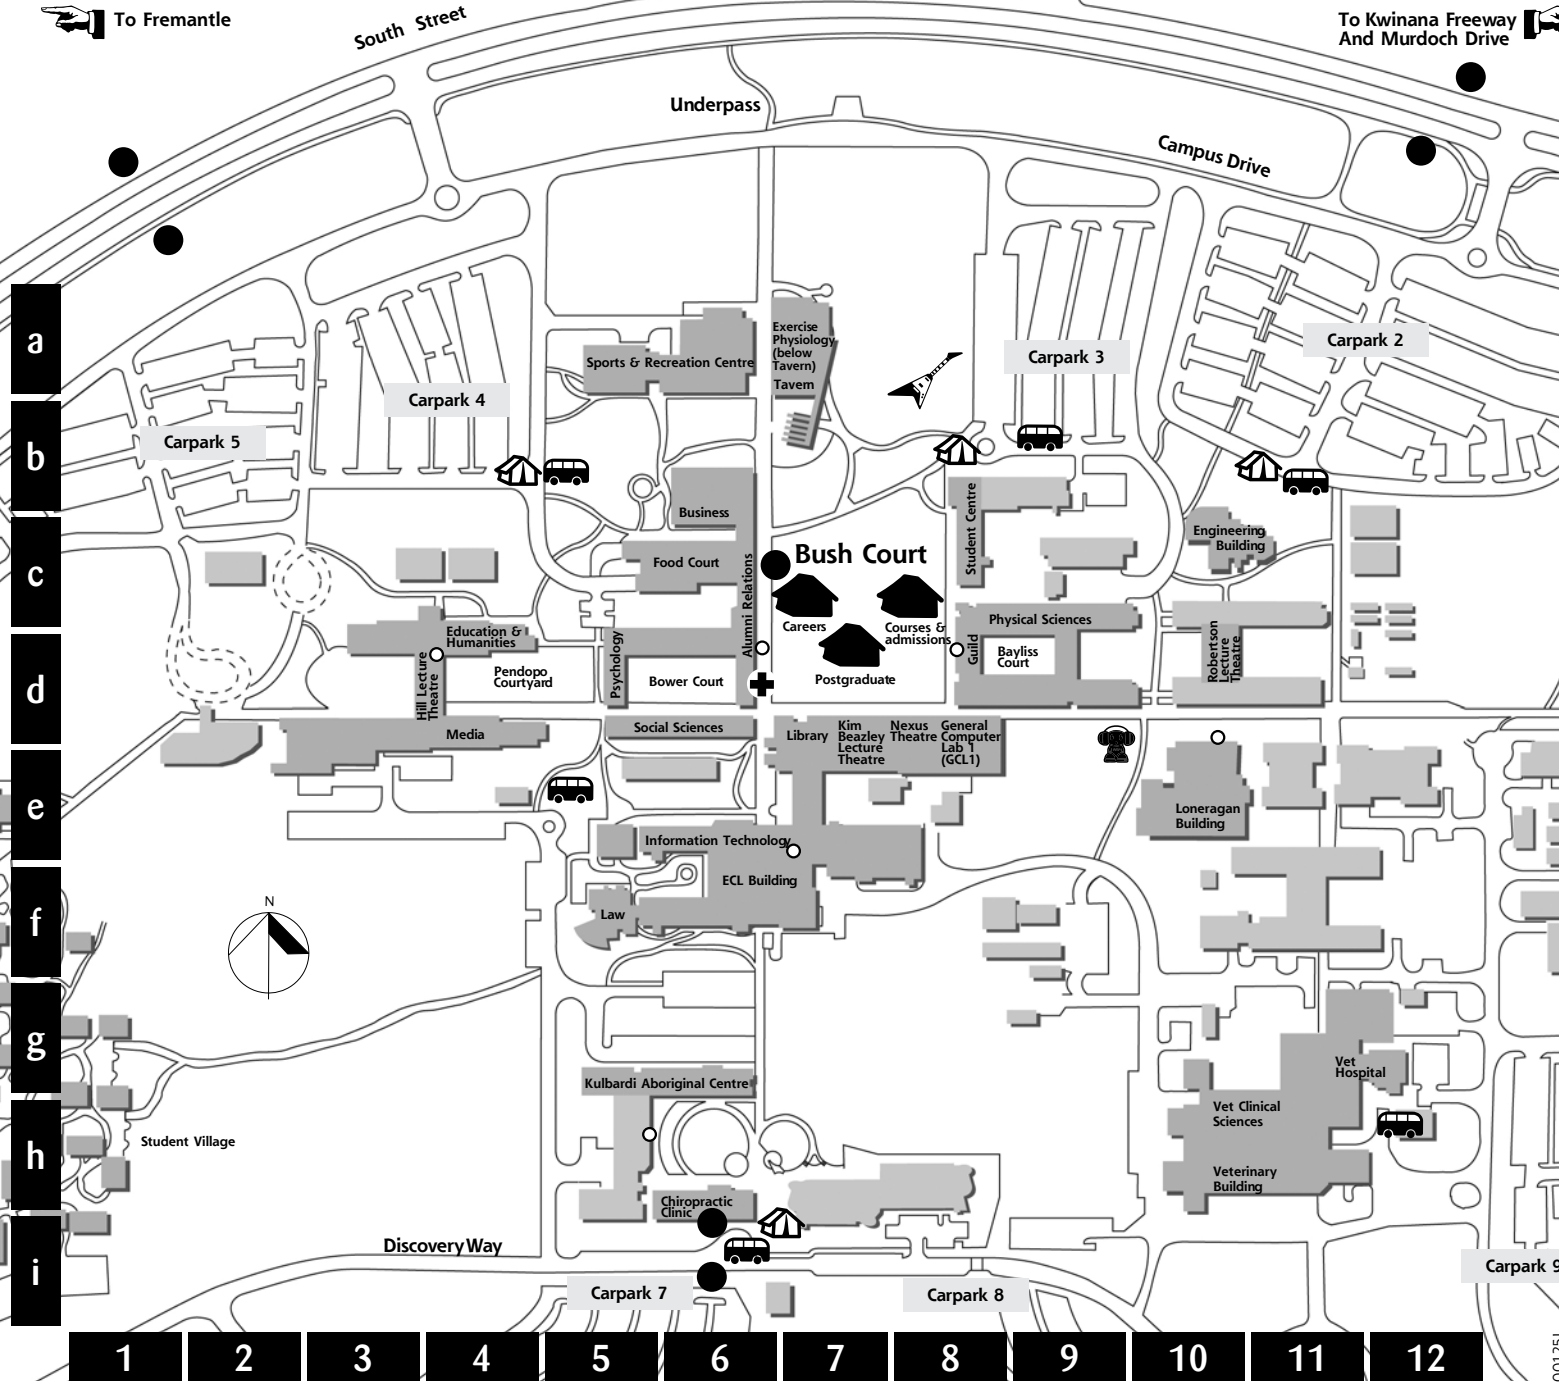

### Wetland safari

Visit our Chelodina Wetland to see how the snake-neck turtle (*Chelodina Oblonga*) habitat can be restored to protect these threatened animals.

*Tours start at 11.30am and 1.00pm from the Loneragan courtyard.* [Map ref e10]
