CVE Evening Lecture Series

Murdoch University's Continuing Veterinary Education office invites you to join us for a new and educational program designed to address the needs and interests of small animal practitioners and clinicians; the Evening Lecture Series 2015.

Presented by leading veterinarians and specialists at the forefront of their field, the Evening Lecture Series will run over 5 sessions and will cover a variety of topics including case presentations and discussions. Attendees will gain practical tips and solutions through up-to-date approaches for best practice case scenarios.

Evening Structure

7.00pm – registration and light refreshments
7.30pm - lecture start

VCS 2.008 (4th year Lecture Theatre)
Vet College, Murdoch University

Campus Map: <http://maps.murdoch.edu.au/location/12602008>

Date	Speaker	Topic
Tues 21st July	Dr Shona Reese	Classic Radiographic Cases – the ones to recognise to increase your accuracy and efficiency in practice
Wed 5th August	Dr Corrin Boyd	Synthetic colloids – risks and rewards
Wed 2nd September	Dr Gabby Musk	Anaesthesia for geriatric patients
Tues 6th October	Dr Mary Thompson	Trick or Treat: An update on toxicities associated with pet foods
Wed 25th November	Dr Tim Hyndman & Dr Sam Abraham	Pharmacology FAQ's and Super Bugs in Veterinary Practice

Online Recording

For those unable to attend on the night, a recording of the Evening Lecture Series will be available following each session for those practitioners who register for the online mode of this series. CVE members will have access to archive recordings as per membership benefits.

Australian Veterinary Association

Professional development
for Australia's veterinarians

Each session offers 1.5 AVA VetEd points

Transforming Lives™

Generously sponsored by Hill's
