Our live Surgery Q&A sessions held at Murdoch University four times throughout the year, provide veterinarians with the opportunity to submit their own cases prior to the event and have them discussed anonymously on the night. Interesting cases from Murdoch's Veterinary Hospital are also presented.

These evenings are informal, interactive case discussions in the Q&A style with the focus on practical solutions to small animal surgery problems commonly encountered in small animal practice.

At the end of the night participants walk away with practical, up-to-date approaches, tips and solutions for their own cases.

Not in Perth? - Easy!
You can still benefit from our very popular Surgery Q&A sessions.

All our sessions are recorded and available for purchase. The lecture package includes the audio recording and a visual of the screen presentation that progresses automatically with the audio. Electronic lecture notes to complement the lecture are also included and can be printed off.
