

Message from Dubai Dean

Murdoch University Dubai is the branch campus of Murdoch University located in the heart of Dubai International Academic City. The campus is overseen and managed academically by a Dean and Academic President who is resident in Dubai. The campus was established in 2007, and we remain one of only three Australian universities offering comprehensive degree programs in the United Arab Emirates. Murdoch Dubai has a truly multinational and cosmopolitan student body, with a particular emphasis on students drawn from across the Middle East, North Africa, and the Indian Ocean region. With more than 400 students, taught by academics from 14 countries, it is a stimulating and vibrant place to learn. At the undergraduate level, we offer courses in Business (finance, management, and marketing), Information Technology (computer science, a business information systems, and cyber security), and Media and Communication (journalism and strategic communication). At the postgraduate level, we offer a Master of Business Administration, a Master of Health Care Management, and a Master of Education. With a growing reputation in the region for academic excellence and positive student experience, Murdoch Dubai exemplifies our university's commitment to high quality teaching and scholarship.
