

Expression of Interest – Industry Project

Thank you for your interest in the Work Integrated Learning Program at Murdoch University. We encourage you to express your interest by providing us with some information about your business / organisation, and some indication of the discipline areas for which you might be able to provide a work integrated learning project.

These are the best times to offer student industry projects:

- December to February is the best recruitment period for semester 1 (March - June)
- May to July is the best recruitment period for semester 2 (August - November)
