Hi

Welcome to the Murdoch University HEADSTART program!

HEADSTART enables enrolment in Murdoch University units by selected and capable Year 11 and 12 students.

The benefits and conditions of enrolment are:
You participate in full university level units on the same basis as undergraduate students completing degrees at Murdoch University. This includes attendance at lectures; participation in tutorials, workshops and seminars; the use of our extensive Murdoch Library and online resources for study; and of course completing the normal assessments and examinations associated with the unit.

There will be no Murdoch University tuition fee charged for participation in HEADSTART units whilst you are concurrently enrolled in Years 11 or 12.

On successful admission subsequently to a Murdoch University undergraduate course, the University will fully recognise the work completed in any HEADSTART units. This recognition will be affected by enrolment in the units as part of your first semester of enrolment in the Murdoch University undergraduate course. At this point you will be charged the appropriate fee applying to the units at that time, and receive the grade and mark awarded in HEADSTART. You will not have to repeat these units. If you are an Australian Citizen or Permanent Resident you will, of course, be able to access the full range of fee support programs available through the Commonwealth Government, including HECS-Help.

The units can be included in your WA Certificate of Education (WACE), although they cannot be used towards the calculation of your ATAR.

Because you will not have a final grade recorded against your enrolment until you are enrolled in a Murdoch University degree course, you will not be able to gain credit for HEADSTART units at any other tertiary institution.

In making this application to participate in our HEADSTART program, you agree to the above conditions, and in particular that, if you meet our admission requirements and are subsequently admitted to Murdoch University, you agree to be enrolled and pay fees as appropriate to that year in order to have HEADSTART units recognised as part of your undergraduate bachelor degree.

All the best
