Welcome to Murdoch University

Congratulations on your offer of a place to study at Murdoch University. The details included in this booklet will assist you with accepting your offer, seeking advice on your enrolment options, choosing your units and completing your enrolment online. The 7 Steps below ensure that you have the basic information you need to navigate successfully through your first enrolment experience at Murdoch.

Students who are unable to access computer facilities due to exceptional circumstances are able to apply to receive their University correspondence via hardcopy. For further information please contact the External Studies Unit on 93602710.

- STEP 1  Accept Offer and Activate Account
- STEP 2  Research Your Options
- STEP 3  Complete Your Enrolment
- STEP 4  Select Your Activities
- STEP 5  Get Advice
- STEP 6  Go To Orientation and Start Uni
- STEP 7  Important Information and FAQs
STEP 1

Accept Offer and Activate Account

☐ Go to the Murdoch Home page …
   … http://www.murdoch.edu.au/ and click on the “New students” link on the bottom left of your screen. This will take you to our New Students website.

☐ Select the Accept & Activate icon

☐ Read the instructions …
   … carefully for your offer type, then click on the “New students…walk this way” icon.

   You will need your Offer Letter (Domestic students) or Confirmation of Enrolment- eCOE (International students) as this contains your Student Number.

☐ Enter your Student Number

☐ Enter your Date of Birth …
   … in the format DD/MM/YYYY (eg 12/03/1985) and click the SUBMIT button.

☐ Now you can:
   ☐ Choose to Accept, Defer or Reject your offer (domestic students only)
   ☐ Set your Murdoch Password (all students)
   ☐ Set and confirm your email address (all students)
   ☐ Select your course as offered (domestic students only)

☐ Congratulations …
   … you have accepted your place as a Murdoch student and you are now ready to select your units and complete your enrolment!
STEP 2
Research Your Options

☐ Read your Handbook Description and Course Structure (Appendix A)
   The description will provide you with information about your course and any relevant specialisations. The structure of your course details the units you need to complete for your degree. It includes required prerequisites to help you plan the order of your units.

☐ Choose your units …
   …you want to enrol in for the current year by using the information you have reviewed above (Appendix A). You can find out about each unit in the Handbook online http://handbook.murdoch.edu.au/units/.

☐ Check your Timetable
   Generally you should find that the lectures for your core units and specified elective units will not clash, however some specified elective units may not fit into your timetable. If this happens you may need to choose another specified elective.

   You can check the timetable for the units you have chosen for your enrolment to make sure they are not timetabled to run at the same time.

   The quickest method of checking this is to refer to the online teaching timetable’s Nominated Units Enquiry website at: http://www.murdoch.edu.au/admin/timetables/teaching/enquiry.html.

Don’t panic if you are unsure of your choice of units. Do the best you can, and then seek help via:

☐ New Student website http://www.murdoch.edu.au/students/new/ provides more details regarding the choices of units and enrolment in units via MyInfo.

☐ Your Postgraduate Coursework Advice Session that will be held during Orientation Week where there will be staff available to answer your queries about your course. (see Step 5)

☐ Faculty Student Administration staff member. You have been allocated a staff member to assist you with your enrolment queries regarding your chosen course, for contact details see Appendix D.

☐ Now you are ready to enrol …
STEP 3

Complete Your Enrolment

Log in to MyMurdoch ..

… at http://www.murdoch.edu.au/goto/MyMurdoch to access your portal to Murdoch’s online facilities using your Murdoch User Name (Student Number) and Murdoch Password (as per Step 1).

Click on MyInfo tab

Log in to MyInfo using your Murdoch User Name (Student Number) and Murdoch Password (as per Step 1). And yes, the University is working on this double log in process!

What is MyInfo? MyInfo is the University’s student self enrolment and management system. Within MyInfo you can manage your enrolment including unit selection, unit set (course and specialisations – if applicable) enrolment and activity signup. You can also update your personal details (home and postal addresses, email address etc).

☐ Go to Self Enrolment Steps

On the left menu, click on <Change Enrolment Details> and then <Self Enrolment Steps>. Read all of the information on this page and then scroll down to the <Self Enrolment Steps> heading. Work your way through each of the steps.

Information Icons are used to represent the status of each Self Enrolment Step. Each step has an explanation to the process so please read each one carefully.

☐ Disclaimer
☐ Services
☐ Government Statistics

☐ Course Completion Date

Keeps the university informed of when you expect to graduate, so please keep this up to date as it is very important.
Unit Sets (Course and Specialisation – if applicable)
You will need to have at least one Unit Set recorded as your Primary Unit Set. Your Primary Unit Set must relate to the course you are currently enrolled under.

What are Unit Sets? This is the name given to the Course and Specialisations (if applicable) by MyInfo, and often referred to as a Course. You must have at least one primary unit set on MyInfo that matches the course you were offered (eg. Master of Arts in Public Policy, with Primary Unit set of MA-PUB-POL).

Units
This is where you enrol in your individual units. Use the Search function to find the unit you want. You can also just type in the unit code of the unit you wish to enrol in. Do one unit at a time and Save Changes after each unit added. Remember to enrol in all of your units for the year.

D = internal, X = external, S1 = Semester 1, S2 = Semester 2.
When you have successfully enrolled in a unit the ‘Status’ column will show ‘Enrolled’ and the background colour will change from grey to blue.

Commonwealth Assistance Form (Domestic Students only)
This is a Commonwealth Government requirement. To complete this you will need your Tax File Number (TFN). If you do not have your TFN handy or have not applied for one from the Australian Taxation Office yet you can come back to this step later, however this step must be completed by the Census Date to avoid having your course cancelled as per Commonwealth Government regulations.

Check your Current Enrolment Details
When you have enrolled in all units that you intend to take for the year you are encouraged to view your current enrolment from the <Current Enrolment Details> menu in MyInfo. Select <Course and Unit Details> and then click on the course code next to the <Units> heading. You will need to check that all of the units that you intend to take for the year are included.

Unit Status shows as ENROLLED!
Well done, you have enrolled in your units. Please be aware that your Course Status will remain as Inactive until semester begins.

If you have any trouble getting into or navigating your way around MyMurdoch or have a technical issue, check out the Help link or contact the IT Service Desk (itservicedesk@murdoch.edu.au, p: 93602000 or Level 2, North Wing, Library).
STEP 4

Select Your Activities

☐ Sign up for your Activities

What are Activities? Activities are the collective term used for lectures, tutorials, workshops, seminars and laboratories.

You will need to have completed your Unit Enrolment (Step 3) before you can sign up to the associated activities.

Log in to MyMurdoch and then MyInfo as per Step 3 (http://www.murdoch.edu.au/goto/MyMurdoch). On the left menu, click on <Change Enrolment Details> and then <Activity Sign Up>. Read all of the information as it will tell you when the Activity Sign Up function is open.

The system works on a first-in-first-served basis so you are advised to enrol in your activities as soon as possible.

Click on <Add or Change Activities>. Read all of the information and then scroll down to see your Unit enrolments and the available activities.

Although signing up to a Lecture activity may not be mandatory for all units, it is recommended that you do to highlight any possible clashes on your timetable. If your unit attempt status is ‘Invalid’, you will be unable to sign up for activities for that unit.

☐ Select Activities

Make your selections for the different activities. It is recommended that you start with all your lectures first and save. Then choose the other associated activities for each unit, saving as you go. Be sure you also note the start week for each activity as they may not all start from Week 1 of the teaching period.

☐ View Activities Timetable

Click on the MyUnits page of MyMurdoch to see all of your activities displayed on your Personal Calendar. Print this out for your diary.
Your Program Chair(s) will advise you on the requirements of your course and answer any unit selection and enrolment queries at your Postgraduate Course Advice session held before the start of the semester. This session will provide you with valuable information relating to your course, units and enrolment options and it is therefore essential that you attend.

For the full Orientation timetable see http://www.murdoch.edu.au/students/new/orientation.html.

When and Where is your Postgraduate Coursework Advice Session?

When: Wednesday, July 30 at 6.00 pm
Where: Level 3, Library Learning Common
Who: All postgraduate students.

There are online maps of the three campuses for Murdoch at http://www.murdoch.edu.au/index/visitors/wherearewe#campuses The maps will provide details of where the Postgraduate Coursework Advice session venue is.

If you are still unsure of your choice of units after you have read this booklet and you have attended the relevant Postgraduate Coursework Advice Session you can email or phone your Faculty Student Administration staff member (Appendix D) with details of your query.
The Orientation program has been designed to meet your specific needs as a new postgraduate student to Murdoch. This includes an introduction to key Murdoch University staff, the campus and to the facilities and services that are available to you.

You can check the full orientation timetable (http://www.murdoch.edu.au/students/new/orientation.html) for event and Postgraduate Coursework Advice Session details.

All students should attend Orientation to experience the helpful and friendly atmosphere at Murdoch.

☐ Things to do during Orientation Week:

☐ Attend your Postgraduate Coursework Advice Session
☐ Discover – All about Murdoch and what you should expect here.
☐ Support – Who can help you? Find out before you need it!
☐ Explore – Campus and Library tours. How not to get lost.
☐ Connect – Computer use on campus
☐ Succeed – How to be a successful student

and

☐ Meet the Student Guild and find out about their services
☐ Have your photo taken for your Student ID/Library Card
☐ Organise a parking permit (or avoid the queues and do it online at: http://www.oss.murdoch.edu.au/parking/)
☐ Join one of the many Murdoch Clubs & Societies
☐ Meet other students in your same course.
**Important Information and FAQs**

**Units – Which units do I need to do and how do I know that I have enrolled in the right units?** Your Course Structure (Appendix A) in this booklet shows you which are your required units. Details for other courses are available from the Faculty Student Administration website [http://www.murdoch.edu.au/fsa/](http://www.murdoch.edu.au/fsa/).

**Invalid Units – Why is my unit enrolment INVALID?** Beside the invalid unit, you will find a grey button labelled ‘Why is this Invalid?’ When you click on this button, a pop-up window will display the reason that the unit is invalid. If you still require help, print off or copy down this information before contacting your Faculty Student Administration staff member (Appendix D).

**Dissertation/Thesis/Project Units – Why can’t I enrol in them?** If your course requires enrolment in a Dissertation/Thesis/Project unit, you may not be able to self-enrol in that unit. As these units are usually taken over one or more semesters, we enrol you in proportional points to ensure the load is accurately reflected on your academic record. Please contact your Faculty Student Administration staff member for assistance (See Appendix D).

**Activities – How do I sign up & what do I do if they are full?** Use Step 4 to assist you with your Activity sign up within the MyInfo part of MyMurdoch. If your chosen Activity is full, there are three options available: review your whole timetable to check if you can change to another unit, consider doing a unit externally (if available), or contact the Unit Coordinator if you have exceptional circumstances. Unit Coordinator contact details can be found by entering the unit code in the search bar on the MyUnits page of MyMurdoch.

**Where can I find my credit and exemptions (Advanced Standing)?** If you have notified the University that you wish to be assessed for Advanced Standing (either on your application or via contact with the Accreditation Officer), your credit and exemptions will be shown on MyInfo part of MyMurdoch. Go to ‘Current Enrolment Details’, select `<Course and Unit Details>`, scroll down the list to `<Advanced Standing>` and click on course code next to this heading (eg M1006). Allow at least 10 working days from receipt by the University of your application and supporting documentation before this information will be available on your enrolment record. Should you have any queries regarding Advanced Standing you should contact the Accreditation Officer (see Appendix E).
Enrolment Deadlines – Internal and External units. You will be expected to enrol in all your units for the current year as soon as possible. The last date to add a unit is the Friday of Week 1 of the teaching period. For external units, the mail-out of unit materials will commence two weeks prior to the start of each teaching period, so you should enrol in your external units as soon as possible. If you enrol in an external unit after the initial mail-out you should allow up to 10 days from the date you enrolled to receive your materials.

University Regulations and Rules Students should ensure they are familiar with the University’s internal legislation, including provisions specifically relevant to their studies. University Regulations and Rules.
http://www.murdoch.edu.au/admin/legsln/

How do I add or change my course? To change your course entirely will require a new application to be submitted which can only be applied for near the end of each semester. The relevant course application forms can be found at http://www.murdoch.edu.au/Future-students/Postgraduate-

Email Account & Correspondence The University’s primary form of contact with students is via email. The University automatically provides you with an email address, (yourstudentnumber@student.murdoch.edu.au) and you can access this email account at: https://wwwstudent.murdoch.edu.au/mail using your Murdoch User name and Password (same as MyMurdoch). You can choose to use a different email account, for example a Yahoo account. It is essential that you keep the email address listed in MyInfo page of MyMurdoch up to date so that you receive important communications from your lecturers and the University.

Cancellation of Courses The University reserves the right to cancel, without notice, any course or unit if the number of students enrolled falls below limits set by the University.

Glossary A general summary to help you with some of the more common terms that you will come across as you plan your studies can be found on the Faculty Student Administration web page. A full list of Murdoch terminology and relevant regulation requirements can be found in the Murdoch Glossary http://handbook.murdoch.edu.au/2008/09_glossary.pdf.
### Energy Studies (BAppSc)

<table>
<thead>
<tr>
<th>Qualifications</th>
<th>Bachelor of Applied Science (BAppSc) in Energy Studies</th>
</tr>
</thead>
<tbody>
<tr>
<td>Credit Points for Course</td>
<td>24</td>
</tr>
<tr>
<td>Course Codes</td>
<td>B1201</td>
</tr>
<tr>
<td>Description</td>
<td>This major is intended to provide graduates with a one-year course of study that covers the core areas of Energy Studies. These skills may assist or enhance graduates work in areas such as energy policy, energy economics, energy management and efficiency, sustainable energy systems design and planning, the environmental impact of energy systems and their use, as well as renewable energy research. It offers the opportunity to explore an area in depth via a short research project.</td>
</tr>
<tr>
<td>Special Requirements</td>
<td>Using printed and Internet facilities, students may complete this degree without needing to attend the campus. Assistance is provided by tutors who will correspond with you by telephone, letter or the Internet.</td>
</tr>
</tbody>
</table>
Course Structure — 24 points

Core Units — 20 points

PEC292 Energy in Society — 4 pts
Murd: S1-Int, S1-Ext, S2-Ext, Y-Ext

PEC294 Energy Management — 4 pts
Murd: S1-Int, S1-Ext, S2-Ext, Y-Ext

PEC390 Energy Systems — 4 pts
Murd: S2-Int, S2-Ext, Y-Ext

PEC391 Energy Policy — 4 pts
Murd: S2-Int, S2-Ext, Y-Ext

PEC393 Energy Economics — 4 pts
Murd: S2-Int, S2-Ext, Y-Ext

Specified Electives — 4 points

Select from the following:

PEC332 Greenhouse Science and Policy — 4 pts
Murd: H-Ext, S1-Int, S1-Ext

PEC287 Renewable Energy and Sustainable Development — 4 pts
Murd: S2-Int, S2-Ext, Y-Ext

PEC298 Scientific Monitoring and Data Analysis — 4 pts
Murd: S2-Int, S2-Ext

PEC625 Energy Efficiency, System Analysis and Auditing — 4 pts
Murd: S2-Ext, Y-Ext

PEC370 Energy Efficient Building Design — 4 pts
Murd: S1-Int, S1-Ext

PEC396 Energy Studies Project — 4 pts
Murd: S1-Int, S1-Ext, S2-Int, S2-Ext, Y-Ext
(This unit is usually taken in the last semester)

If one or more of the required units, or equivalents, have already been completed, or with permission from the Program Chair, students may select electives from other related 300- to 500-level units offered elsewhere in the University.

Prerequisites — Energy Studies (BAppSc)

Energy Economics (PEC393)
Prerequisites: There are no formal prerequisites for this unit. Some knowledge of basic economics (BUS261 Microeconomics A) is advantageous.

Energy Efficiency, System Analysis and Auditing (PEC625)
Prerequisites: PEC201 Thermodynamics or equivalent, PEC291/PEC294/PEC494 Energy Management or equivalent, MAS161 Calculus and Matrix Algebra or equivalent or enrolment in the BAppSc in Energy Studies, PgCert Energy Studies, PgDip Energy and the Environment, PgDip Energy Studies or MSc Renewable Energy.

Energy Efficient Building Design (PEC370)
Prerequisites: PEC120 General Physics or equivalent or enrolment in the Bachelor of Applied Science in Energy Studies.

Energy in Society (PEC292)
Prerequisites: Knowledge of physics equivalent to M120/PEC120 Introduction to Physics or enrolment in the BAppSc in Energy Studies, Postgraduate Certificate in Energy Studies, Postgraduate Diploma in Energy and the Environment or Postgraduate Diploma in Energy Studies.

Energy Management (PEC294)
Prerequisites: M120/PEC120 General Physics or equivalent or enrolment in the BAppSc in Energy Studies, Postgraduate Certificate in Energy Studies, Postgraduate Diploma in Energy and the Environment or Postgraduate Diploma in Energy Studies. Recommended: M292/PEC292 Energy in Society.

Energy Policy (PEC391)

Energy Studies Project (PEC396)
Prerequisites: Completion of three approved Energy Studies unit and enrolment in the Postgraduate Diploma in Energy Studies or BAppSc Energy Studies

Energy Systems (PEC390)
Prerequisites: PEC120 General Physics or PEC152 Principles of Physics or a final scales score of 60% or more in TEE Physics or equivalent or enrolment in the BAppSc in Energy Studies, Postgraduate Certificate in Energy Studies, Postgraduate Diploma in Energy and the Environment or Postgraduate Diploma in Energy Studies. Recommended: M292/PEC292 Energy in Society.

Greenhouse Science and Policy (PEC332)
Recommended: M292/PEC292 Energy in Society; knowledge of Physics equivalent to M120/PEC120 Introduction to Physics.

Renewable Energy and Sustainable Development (PEC287)
Recommended: M292/PEC292/M496 Energy in Society.

Scientific Monitoring and Data Analysis (PEC298)
Prerequisites: (MAS164 Fundamentals of Mathematics or MAS182 Applied Mathematics or MAS161 Calculus and Matrix Algebra) AND (PEC120 General Physics or PEC152 Principles of Physics) or equivalents or enrolment in the BAppSc in Energy Studies, PgCert Energy Studies, PgDip Energy and the Environment or PgDip Energy Studies.

<td>B1202</td>
</tr>
<tr>
<td>Description</td>
<td>This is a graduate-entry degree and is designed to provide graduates of all non-environmental science disciplines with the opportunity to obtain a qualification within the field of environmental science. The course is interdisciplinary in nature and is designed to enable graduates to contribute, as individuals and through their employment, to the identification and resolution of environmental problems. It is structured around the themes of air, water, land, biota, people, policy and technology with an integrated environmental management perspective. Graduates of the Bachelor of Applied Science (Environmental Science) can apply to enter the Bachelor of Environmental Science. To complete the latter degree all required Part II units from second through fourth year will need to be passed.</td>
</tr>
<tr>
<td>Special Requirements</td>
<td>All units are available externally, although some attendance is required in some cases.</td>
</tr>
</tbody>
</table>

**Course Structure — 24 points**

**Core Units — 24 points**

Select from the following:

- ENV213 Atmospheric Science — 4 pts  
  Murd: S1-Int, S1-Ext
- ENV268 Ecology — 4 pts  
  Murd: S2-Int, S2-Ext
- ENV319 Environmental Management — 4 pts  
  Murd: S2-Int, S2-Ext
- ENV228 Environmental Policy and Law — 4 pts  
  Murd: S2-Int, S2-Ext
- ENV311 Managing Wetlands and Water — 4 pts  
  Murd: S2-Int, S2-Ext
- ENV211 Pollution and its Control — 4 pts  
  Murd: S1-Int, S1-Ext
- ENV281 Water and Earth Science — 4 pts  
  Murd: S1-Int, S1-Ext

**Prerequisites — Environmental Science (BAppSc)**

Atmospheric Science (ENV213)

Ecology (ENV268)

Prerequisites: BIO103 Environmental Biology or the Bachelor of Applied Science in Environmental Science.

Environmental Management (ENV319)

Prerequisites: Completion of at least 18 points at Part II or enrolment in a postgraduate course from the School of Environmental Science or enrolment in the Bachelor of Applied Science in Environmental Science.

Environmental Policy and Law (ENV228)

Managing Wetlands and Water (ENV311)

Prerequisites: Completion of or concurrent enrolment in ENV268 Ecology or enrolment in the Bachelor of Applied Science in Environmental Science.

Pollution and its Control (ENV211)

Prerequisites: ENV102 Introduction to Environmental Science and PEC144 Chemical Principles or PEC115 Chemistry for Environmental Science or equivalent, or enrolment in the Bachelor of Technology in Environmental Technology or the Bachelor of Applied Science in Environmental Science.

Water and Earth Science (ENV281)

Prerequisites: A thorough knowledge of Year 12 secondary-level chemistry is assumed.
