Welcome to Murdoch University

Congratulations on your offer of a place to study at Murdoch University. The details included in this booklet will assist you with accepting your offer, seeking advice on your enrolment options, choosing your units and completing your enrolment online. The 7 Steps below ensure that you have the basic information you need to navigate successfully through your first enrolment experience at Murdoch.

Students who are unable to access computer facilities due to exceptional circumstances are able to apply to receive their University correspondence via hardcopy. For further information please contact the External Studies Unit on 93602710.

- **STEP 1** Accept Offer and Activate Account
- **STEP 2** Research Your Options
- **STEP 3** Complete Your Enrolment
- **STEP 4** Select Your Activities
- **STEP 5** Get Advice
- **STEP 6** Go To Orientation and Start Uni
- **STEP 7** Important Information and FAQs
STEP 1

Accept Offer and Activate Account

☐ Go to the Murdoch Home page …
   … http://www.murdoch.edu.au/ and click on the “New students” link on the bottom left of your screen. This will take you to our New Students website.

☐ Select the Accept & Activate icon

☐ Read the instructions …
   … carefully for your offer type, then click on the “New students…walk this way” icon.

   You will need your Offer Letter (Domestic students) or Confirmation of Enrolment- eCOE (International students) as this contains your Student Number.

☐ Enter your Student Number

☐ Enter your Date of Birth …
   … in the format DD/MM/YYYY (eg 12/03/1985) and click the SUBMIT button.

☐ Now you can:
   ☐ Choose to Accept, Defer or Reject your offer (domestic students only)
   ☐ Set your Murdoch Password (all students)
   ☐ Set and confirm your email address (all students)
   ☐ Select your course as offered (domestic students only)

☐ Congratulations …
   … you have accepted your place as a Murdoch student and you are now ready to select your units and complete your enrolment!
STEP 2

Research Your Options

☐ Read your Course/Major Description (Appendix A)
   The description will provide you with information about your course and major, including recommended double majors and minors.

☐ Review your Checklist and Unit Prerequisites (Appendix B)
   The checklist is the structure of your course and the units you need to complete for your degree. It includes required prerequisites to help you plan the order of your units.

☐ Review the Sample Enrolments (Appendix C)
   The Sample Enrolment provides you with a pre-made study plan for your major. Some majors provide you with a choice of units in the requirement, so you may wish to create your own study plan.

☐ Choose your units …
   …you want to enrol in for the current year by using the information you have reviewed above from the checklist (Appendix B) and sample enrolment (Appendix C). You can find out about each unit in the Handbook online http://handbook.murdoch.edu.au/units/.

Part I units (100-level units) are taken in the first year. Most of the Part I units are worth 3 points each, this means you will be taking 8 units in your first year, being 4 units each semester.

Part II units (200-level and above units) are taken in the second or third year of study. Most Part II units are worth 4 points each, this means that you will be taking 6 Part II units in each of the 2nd and 3rd years, being 3 units each semester.

General Electives are ‘free choice’ units. You can use these units to meet the requirements of a second major or a minor. Use the Handbook online (http://handbook.murdoch.edu.au/) to help you search for these and for individual unit prerequisites.

☐ Check your Timetable

Generally you should find that the lectures for your core units and specified elective units will not clash, however some general elective units may not fit into your timetable. If this happens you may need to choose another general elective.
You can check the timetable for the units you have chosen for your first semester of enrolment to make sure they are not timetabled to run at the same time.

The quickest method of checking this is to refer to the online teaching timetable’s Nominated Units Enquiry website at: [http://www.murdoch.edu.au/admin/timetables/teaching/enquiry.html](http://www.murdoch.edu.au/admin/timetables/teaching/enquiry.html).

Don’t panic if you are unsure of your choice of units. Do the best you can, and then seek help via:

- **New Student website** [http://www.murdoch.edu.au/students/new/](http://www.murdoch.edu.au/students/new/) provides more details regarding the choices of units and enrolment in units via MyInfo.
- Investigate your **Course Advice Session(s)** that will be held during Orientation Week where there will be staff available to answer your queries about your course. (see Step 5)
- **Faculty Student Administration staff member.** You have been allocated a staff member to assist you with your enrolment queries regarding your chosen course, for contact details see Appendix G. Sample enrolments of popular double majors can be found on the Faculty Student Administration website [http://www.murdoch.edu.au/fsa/](http://www.murdoch.edu.au/fsa/).

- **Now you are ready to enrol …**
Complete Your Enrolment

Log in to MyMurdoch ..

… at http://www.murdoch.edu.au/goto/MyMurdoch to access your portal to Murdoch’s online facilities using your Murdoch User Name (Student Number) and Murdoch Password (as per Step 1).

Click on MyInfo tab

Log in to MyInfo using your Murdoch User Name (Student Number) and Murdoch Password (as per Step 1). And yes, the University is working on this double log in process!

What is MyInfo? MyInfo is the University’s student self enrolment and management system. Within MyInfo you can manage your enrolment including unit selection, unit set (majors, minors) enrolment and activity signup. You can also update your personal details (home and postal addresses, email address etc).

Go to Self Enrolment Steps

Within MyInfo on the left menu, click on <Change Enrolment Details> and then <Self Enrolment Steps>. Read all of the information on this page and then scroll down to the <Self Enrolment Steps> heading. Work your way through each of the steps.

Icons are used to represent the status of each Self Enrolment Step. Each step has an explanation to the process so please read each one carefully.

- Disclaimer – statement regarding your use of MyInfo
- Services – opportunity to join the Murdoch Student Guild or validate your Transperth Smartrider.
- Government Statistics – Government requirement to assist in forward planning.

Course Completion Date

Keeps the university informed of when you expect to graduate, so please keep this up to date as it is very important.
Unit Sets (Majors and Minors)

You will need to have at least one Unit Set recorded as your Primary Unit Set. Your Primary Unit Set must relate to the course you are currently enrolled under.

What are Unit Sets? This is the name given to Majors and Minors by MyInfo, and often referred to as a Course. You must have at least one primary unit set on MyInfo that matches the course you were offered (eg. Bachelor of Arts in History, with Primary Unit set of History).

Units

This is where you enrol in your individual units. Use the Search function to find the unit you want. You can also just type in the unit code of the unit you wish to enrol in. Do one unit at a time and Save Changes after each unit added. Remember to enrol in all of your units for the year.

D = internal, X = external, S1 = Semester 1, S2 = Semester 2.

When you have successfully enrolled in a unit the ‘Status’ column will show ‘Enrolled’ and the background colour will change from grey to blue.

Remember to make sure you have your Pop-Up Blockers turned off when you are in MyInfo as it will affect your ability to save your units.

Commonwealth Assistance Form (Domestic Students only)

This is a Commonwealth Government requirement. To complete this you will need your Tax File Number (TFN). If you do not have your TFN handy or have not applied for one from the Australian Taxation Office yet you can come back to this step later, however this step must be completed by the Census Date to avoid having your course cancelled as per Commonwealth Government regulations.

Check your Current Enrolment Details

When you have enrolled in all units that you intend to take for the year you are encouraged to view your current enrolment from the Current Enrolment Details menu in MyInfo. Select <Course and Unit Details> and then click on the course code next to the Units heading. You will need to check that all of the units that you intend to take for the year are included.

Unit Status shows as ENROLLED!

Well done, you have enrolled in your units. Please be aware that your Course Status will remain as Inactive until semester begins.

If you have any trouble getting into or navigating your way around MyMurdoch or MyInfo or have a technical issue, check out the Help link or contact the IT Service Desk (itservicedesk@murdoch.edu.au, p: 93602000 or Level 2, North Wing, Library).
STEP 4
Select Your Activities

☐ **Sign up for your Activities**

What are Activities? Activities are the collective term used for lectures, tutorials, workshops, seminars and laboratories.

You will need to have completed your Unit Enrolment (Step 3) before you can sign up to the associated activities.

Log in to MyMurdoch and then MyInfo as per Step 3 ([http://www.murdoch.edu.au/goto/MyMurdoch](http://www.murdoch.edu.au/goto/MyMurdoch)). On the left menu, click on <Change Enrolment Details> and then <Activity Sign Up>. Read all of the information as it will tell you when the Activity Sign Up function is open.

The system works on a first-in-first-served basis so you are advised to enrol in your activities as soon as possible.

Click on <Add or Change Activities>. Read all of the information and then scroll down to see your Unit enrolments and the available activities.

Although signing up to a Lecture activity may not be mandatory for all units, it is recommended that you do to highlight any possible clashes on your timetable. If your unit attempt status is ‘Invalid’, you will be unable to sign up for activities for that unit.

☐ **Select Activities**

Make your selections for the different activities. It is recommended that you start with all your lectures first and save. Then choose the other associated activities for each unit, saving as you go. Be sure you also note the start week for each activity as they may not all start from Week 1 of Semester.

☐ **View Activities Timetable**

Click on the MyUnits page of MyMurdoch to see all of your activities displayed on your Personal Calendar. Print this out for your diary.
STEP 5

Get Advice

Your Program Chair(s) will advise you on the requirements of your course and answer any unit selection and enrolment queries at your “Investigate” - course advice session held before the start of the semester. This session will provide you with valuable information relating to your course, units and enrolment options and it is therefore essential that you attend.

For the full Orientation timetable see http://www.murdoch.edu.au/students/new/orientation.html.

When and Where is your “Investigate” course advice session?

When: Wednesday, July 30 at 1.30pm
Where: ECL3 (ECL lecture theatre 3)
Who: Psychology (BA, BPsych)

There are online maps of the three campuses for Murdoch at http://www.murdoch.edu.au/index/visitors/wherearewe#campuses The maps will provide details of where the course advice venues are.

If you are still unsure of your choice of units after you have read this booklet and you have attended the relevant “Investigate” course advice session you can email or phone your Faculty Student Administration staff member (Appendix G) with details of your query.
STEP 6

Go To Orientation and Start Uni

The Orientation program has been designed to meet your specific needs as a new student to Murdoch. This includes an introduction to key Murdoch University staff, the campus and to the facilities and services that are available to you. You should expect to attend at least 2 days at Orientation to experience the helpful and friendly atmosphere at Murdoch.

You can check the full orientation timetable (http://www.murdoch.edu.au/students/new/orientation.html) for event and Investigate - course advice session details.

All students should attend Orientation to experience the helpful and friendly atmosphere at Murdoch.

Things to do during Orientation Week:

☐ Discover – All about Murdoch and what you should expect here.
☐ Investigate – Your course advice session to find out what your enrolment options are and how your Program Chair can help you.
☐ Support – Who can help you? Find out before you need it!
☐ Explore – Campus and Library tours. How not to get lost.
☐ Connect – Computer use on campus
☐ Succeed – How to be a successful student

and

☐ Meet the Student Guild and find out about their services
☐ Have your photo taken for your Student ID/Library Card
☐ Organise a parking permit (or avoid the queues and do it online at: http://www.oss.murdoch.edu.au/parking/)
☐ Join one of the many Murdoch Clubs & Societies
☐ Meet other students in your same course.
STEP 7
Important Information and FAQs

**General Electives – What are they, where can I find them?** A General Elective is a unit that is not a required unit (that is not Core Unit or Specified Elective) for your major or course. It can be selected from outside your primary area of study and may form part of a second major or minor. There is no single ‘list’ of General Electives. You can select General Electives by taking the units that make up a second major or minor or by looking at the online Handbook complete list of units available [http://handbook.murdoch.edu.au/units/](http://handbook.murdoch.edu.au/units/).

**Units – Which units do I need to do and how do I know that I have enrolled in the right units?** Your Checklist of Units and Prerequisites (Appendix B) and Sample Enrolment (Appendix C) in this booklet show you which are your required units. The Sample Enrolments for other majors are available from the Faculty Student Administration website [http://www.murdoch.edu.au/fsa/](http://www.murdoch.edu.au/fsa/).

**Invalid Units – Why is my unit enrolment INVALID?** Beside the invalid unit, you will find a grey button labelled ‘Why is this Invalid?’ When you click on this button, a pop-up window will display the reason that the unit is invalid. If you still require help, print off or copy down this information before contacting your Faculty Student Administration staff member (Appendix G).

**Activities – How do I sign up & what do I do if they are full?** Use Step 4 to assist you with your Activity sign up within the MyInfo part of MyMurdoch. If your chosen Activity is full, there are three options available: review your whole timetable to check if you can change to another other unit, consider doing a unit externally (if available), or contact the Unit Coordinator if you have exceptional circumstances. Unit Coordinator contact details can be found by entering the unit code in the search bar on the MyUnits page of MyMurdoch.

**Where can I find my credit and exemptions (Advanced Standing)?** If you have notified the University that you wish to be assessed for Advanced Standing (either on your application or via contact with the Accreditation Officer), your credit and exemptions will be shown on the MyInfo part of MyMurdoch. Go to ‘Current Enrolment Details’, select `<Course and Unit Details>`, scroll down the list to ‘Advanced Standing’ and click on course code next to this heading (e.g. B1137). Allow at least 10 working days from receipt by the University of your application and supporting documentation before this information will be available on your enrolment record. Should you have any queries regarding Advanced Standing you should contact the Accreditation Officer (see Appendix H).
Enrolment Deadlines – Internal and External units. You will be expected to enrol in all your units for the current year as soon as possible. The last date to add a unit is the end of Week 1 of Semester. For external units, the mail-out of unit materials will commence two weeks prior to the start of each Semester, so you should enrol in your external units as soon as possible. If you enrol in an external unit you should allow up to 10 days from the date you enrolled to receive your materials.

University Regulations and Rules Students should ensure they are familiar with the University’s internal legislation, including provisions specifically relevant to their studies. University Regulations and Rules - see http://www.murdoch.edu.au/admin/legsln/

How do I add or change my course, major or minor? To change your course entirely will require a course transfer which can only be applied for near the end of each semester. The relevant course transfer form, Amend Course Details, can be found at http://www.oss.murdoch.edu.au/forms/. Most second majors and minors can be added or changed under ‘Unit Sets’ in the ‘Self Enrolment Steps’ on the MyInfo part of MyMurdoch.

Email Account & Correspondence The University’s primary form of contact with students is via email. The University automatically provides you with an email address, (yourstudentnumber@student.murdoch.edu.au) and you can access this email account at: https://wwwstudent.murdoch.edu.au/mail using your Murdoch User name and Password (same as MyMurdoch). You can choose to use a different email account, for example a Yahoo account. It is essential that you keep the email address listed in the MyInfo page of MyMurdoch up to date so that you receive important communications from your lecturers and the University.

Cancellation of Courses, Minors and Units The University reserves the right to cancel, without notice, any course, major, minor or unit if the number of students enrolled falls below limits set by the University.

Glossary A general summary to help you with some of the more common terms that you will come across as you plan your studies can be found on the Faculty Student Administration web page. A full list of Murdoch terminology and relevant regulation requirements can be found in the Murdoch Glossary (http://handbook.murdoch.edu.au/2008/09_glossary.pdf).
# Full Course Description

## Psychology (BPsych, BA)

| Qualifications                      | Bachelor of Arts (BA) in Psychology  
|                                   | Bachelor of Psychology (BPsych)       |
| Credit Points for Course           | 72 (BA (Psychology) or 96 (BPsych)    |
| Course Codes                       | B1103 B1104                           |
| Description                        | The study of psychology is a quest to understand behaviour, relationships and the workings of the human mind. In this course students will develop an appreciation of the foundations of psychological knowledge and how modern scientific research methods are used to further this understanding of our differences and similarities. Psychology teaches both research and practical application in the clinical, cognitive, developmental, organisational and social areas. Psychology students enter either the three-year BA (Psychology) or the four-year Bachelor of Psychology (BPsych). BPsych students may elect to take out the three-year Bachelor of Arts (Psychology) qualification at the end of the third year of study. BA (Psychology) students may apply to enter the four-year BPsych at the end of any year following their first year. Students in either the BA (Psychology) or the BPsych may apply for entry into the Honours program in Psychology towards the end of the third year of study. |
| Recommended Minors                  | Developmental Psychology; Health Psychology; Organisational Psychology; Social Psychology |
| Professional Recognition           | All Murdoch University Psychology degrees taught at Murdoch are fully accredited by the Australian Psychology Accreditation Council (APAC), and recognised by the Australian Psychological Society (APS). However, students transferring from another university must ensure that the study they have completed previously, when combined with their study at Murdoch University, meets the requirements of the relevant psychology registration board for equivalence to an accredited four-year Australian degree in psychology. |
APPENDIX B

Checklist of Units & Prerequisites

Psychology (BPsych, BA)
Bachelor of Arts (BA) in Psychology
Bachelor of Psychology (BPsych)

Course Structure - BA (Psychology), 72 points; BPsych, 96 points

Part I - 24 points
Foundation Unit - 3 points
Select one Foundation Unit from Appendix D

Core Units - 9 points
PSY141 Introduction to Psychological Science - 3 pts
Murd: S1-Int, S2-Int
Rock: S1-Int APMISIN: T1A-Int, T2A-Int, T3A-Int
PSY171 Introduction to Applications of Psychology - 3 pts
Murd: S1-Int, S2-Int APMISIN: T1A-Int, T2A-Int, T3A-Int
PSY173 Introduction to Psychological Research Methods - 3 pts
Murd: S1-Int, S2-Int APMISIN: T1A-Int, T2A-Int, T3A-Int

General Electives - 12 points
Select from any 100-level units offered by the University, subject to individual unit prerequisites. Students are advised to consider using these points to meet the requirements of a second major or minor. Please refer to any recommended Double Majors and Minors listed in the description of this course.

Highly recommended:
PSY172 Introduction to Psychological Health and Wellbeing - 3 pts Murd: S2-Int

Part II (BA and BPsych) - BA (Psychology), 48 points; BPsych, 72 points

Core Units - 28 points
Students completing the BPsych course must complete 28 points of required units and an additional 8 points of units to satisfy the requirements of at least one of the Psychology minors. Students are strongly encouraged to complete more than one minor. Students completing a double major do not need to complete a psychology minor.

PSY213 Psychology: Abnormal Behaviour - 4 pts
Murd: S1-Int

PSY351 Psychology: Biological Bases of Behaviour - 4 pts
Murd: S1-Int APMISIN: T2A-Int

PSY353 Psychology: Cognitive Processes - 4 pts
Murd: S2-Int APMISIN: T2A-Int

PSY247 Psychology: Human Development - 4 pts
Murd: S1-Int APMISIN: T1A-Int

PSY248 Psychology: Social Bases of Behaviour - 4 pts
Murd: S2-Int

PSY212 Psychology: Measurement, Design and Analysis - 4 pts
Murd: S2-Int APMISIN: T1A-Int

PSY311 Psychology: Advanced Quantitative Research Methods - 4 pts Murd: S1-Int APMISIN: T2A-Int
OR
PSY315 Psychology: Advanced Qualitative Research Methods - 4 pts Murd: S2-Int

Specified Electives - 8 points
Select at least 8 points to complete at least one of the following minors.

Developmental Psychology Minor
PSY249 Psychology: The Developing Mind - 4 pts
Murd: S2-Int

PSY356 Psychology: Family Relations and Social Development - 4 pts Murd: S1-Int

Health Psychology Minor
PSY215 Psychology: Drugs and Dependence - 4 pts
Murd: S1-Int

PSY358 Psychology: Sensory Abilities and Disabilities - 4 pts
Murd: S2-Int

Organisational Psychology Minor
PSY217 Psychology: Work and Organisations - 4 pts
Murd: S1-Int

PSY357 Psychology: Safety, Errors and Accidents - 4 pts
Murd: S2-Int APMISIN: T1A-Int

Social Psychology Minor
PSY218 Psychology: Self and Society - 4 pts
Murd: S2-Int

PSY246 Psychology: Culture and Community - 4 pts
Murd: S1-Int

Optional Specified Elective
PSY252 Special Topics in Psychology - 4 pts
Murd: H-Int, S1-Int, S2-Int, Y-Int
General Electives - up to 12 points
Select from any 200- to 400-level units offered by the University, subject to individual unit prerequisites. Students are advised to consider using these points to meet the requirements of a second major or minor. Please refer to any recommended Double Majors and Minors listed in the description of this course.

Part II (Year 4) (BPsych only) - 24 points

Core Units - 12 points

PSY441 Psychology: Fourth Year Project - 8 pts
Murd: H-Int, Y-Int

PSY412 Psychology: Fourth Year Seminar - 4 pts
Murd: S1-Int

Specified Electives - 12 points
Select from the following:

PSY431 Psychology: Principles of Psychological Assessment - 4 pts Murd: S2-Int

PSY433 Psychology: Program Evaluation Methods - 4 pts Murd: S1-Int

PSY434 Psychology: Industrial and Organisational Issues - 4 pts Murd: S1-Int

PSY436 Psychology: Principles and Processes of Interventions - 4 pts Murd: S2-Int

Prerequisites - Psychology (BPsych, BA)

Psychology: Abnormal Behaviour (PSY213)
Prerequisites: PSY141 Introduction to Psychological Science or PSY171 Introduction to Applications of Psychology or PSY173 Introduction to Psychological Research Methods.

Psychology: Advanced Qualitative Research Methods (PSY315)
Prerequisites: PSY173 Introduction to Psychological Research Methods or PSY211 Psychological Methods I AND PSY212 Psychology: Measurement, Design & Analysis.

Psychology: Advanced Quantitative Research Methods (PSY311)
Prerequisites: PSY173 Introduction to Psychological Research Methods OR PSY211 Psychological Research Methods I, AND PSY212 Psychology: Measurement, Design & Analysis.

Psychology: Biological Bases of Behaviour (PSY351)
Prerequisites: PSY173 Introduction to Psychological Research Methods AND PSY212 Psychology: Measurement, Design and Analysis.

Psychology: Cognitive Processes (PSY353)
Prerequisites: PSY173 Introduction to Psychological Research Methods AND PSY212 Psychology: Measurement, Design and Analysis.

Psychology: Culture and Community (PSY246)
Prerequisites: PSY141 Introduction to Psychological Science OR PSY171 Introduction to Applications of Psychology OR PSY173 Introduction to Psychological Research Methods.

Psychology: Drugs and Dependence (PSY215)
Prerequisites: S141/PSY141 Introduction to Psychological Science OR PSY171 Introduction to Applications of Psychology OR PSY173 Introduction to Psychological Research Methods; PSY247 Psychology: Human Development.

Psychology: Fourth Year Project (PSY441)
Prerequisites: Enrolment in the fourth year of the BPsych, or in the Postgraduate Diploma in Psychology, or by permission of the Program Chair. Students enrolling in this unit from 2003 must have completed five hours of time as a participant in psychological research, or have completed an essay on psychological research to the satisfaction of the Unit Coordinator.

Psychology: Fourth Year Seminar (PSY412)
Prerequisites: PSY141 Introduction to Psychological Science OR PSY171 Introduction to Applications of Psychology and either PSY212 Psychology: Measurement, Design and Analysis or PSY211 Psychological Methods I. Or enrolment in PgDip in Psych or PgCert in Psych Teaching.

Psychology: Human Development (PSY247)
Prerequisites: PSY141 Introduction to Psychological Science OR PSY171 Introduction to Applications of Psychology OR PSY173 Introduction to Psychological Research Methods.

Psychology: Industrial and Organisational Issues (PSY434)

Psychology: Measurement, Design and Analysis (PSY212)
Prerequisites: PSY173 Introduction to Psychological Research Methods OR PSY211 Psychological Methods I.

Psychology: Principles and Processes of Interventions (PSY436)
Prerequisites: R213/PSY213 Psychology: Abnormal Behaviour or enrolment in BA Psych honours, BPsych, PgDip in Psychology or PgDipAdvMHNurs.

Psychology: Principles of Psychological Assessment (PSY431)
Prerequisites: PSY311 Advanced Quantitative Research Methods or PSY315 Advanced Qualitative Research methods. Or enrolment in BA Psych Honours, BPsych or Postgraduate Diploma in Psychology.

Psychology: Program Evaluation Methods (PSY433)
Prerequisites: R212/PSY212 Measurement, Design and Analysis or enrolment in BA Psych Honours or Postgraduate Diploma in Psychology.

Psychology: Safety, Errors and Accidents (PSY357)

Psychology: Self and Society (PSY218)
Prerequisites: PSY141 Introduction to Psychological Science or PSY171 Introduction to Applications of Psychology or PSY173 Introduction to Psychological Research Methods or PSY107 Introduction to Social Psychology.

Psychology: Sensory Abilities and Disabilities (PSY358)
Prerequisites: PSY141 Introduction to Psychological Science OR PSY171 Introduction to Applications of Psychology OR PSY173 Introduction to Psychological Research Methods.

Psychology: Social Bases of Behaviour (PSY248)
Prerequisites: PSY141 Introduction to Psychological Science OR PSY171 Introduction to Applications of Psychology OR PSY173 Introduction to Psychological Research Methods.

Psychology: The Developing Mind (PSY249)
Prerequisites: PSY141 Introduction to Psychological Science OR PSY171 Introduction to Applications of Psychology OR PSY173 Introduction to Psychological Research Methods; PSY247 Psychology: Human Development OR PSY143 Introduction to Developmental Psychology.

Psychology: Work and Organisations (PSY217)
Prerequisites: PSY141 Introduction to Psychological Science or PSY171 Introduction to Applications of Psychology OR PSY173 Introduction to Psychological Research Methods.

All Murdoch students are required to complete one Foundation Unit unless they have been awarded Advanced Standing including an exemption for it. Check the teaching timetable for most up-to-date day, time and room location of each Foundation Unit: (http://www.murdoch.edu.au/admin/timetables/teaching/). All foundation units have Lectures: 2 hours per week; workshops/tutorials: 2 hours per week. Below are the foundation units on offer for semester 2.

FDN115 Interactions of Society and Technology
Murdoch: Semester 1-internal, Semester 1-external, Semester 2-internal, Semester 2-external
Peel: Semester 1-internal, Semester 2-internal,
Rockingham: Semester 1-internal, Semester 2-internal
Unit Coordinator – Martina Muller, m.muller@murdoch.edu.au
Tel: 9360 2955, Room: Science and Computing 2.011

Society’s constantly evolving interrelationship with technology has fundamentally changed our perception of ourselves and society. It is increasingly important for people to have a broad understanding of social, historical, ethical, economic and environmental factors that interconnect societal development with the nature of technology. FDN115 will provide students with an understanding of these important issues. Topics: histories of western culture and sciences, the nature of democracy, life cycle analysis and sustainability, political structures, cities, reproductive technologies, privacy, medicine, design and innovation.

FDN150 Reinventing Australia
Murdoch: Semester 1-internal, Semester 1-external, Semester 2-internal, Semester 2-external
Rockingham: Semester 1-internal
Unit Coordinator – Dr Brad Pettitt, b.pettit@murdoch.edu.au
Tel: 9360 6465, Room: Social Sciences Room 3.017

As Australia is in some sense being ‘reinvented’ by globalisation, new technology and other forces for change, we consider just what ‘Australia’ is and possibilities for shaping its future. Topics: contemporary issues such as the environment, Aboriginal rights, the family and citizenship. Our aim is to identify and understand some of the salient features of Australian society.
