Welcome to Murdoch University

Congratulations on your offer of a place to study at Murdoch University.

The details included in this booklet will assist you with accepting your offer, seeking advice on your enrolment options, choosing your units and completing your enrolment online. The 7 Steps below ensure that you have the basic information you need to navigate successfully through your first enrolment experience at Murdoch. Additional enrolment assistance is available via the “New Students” website at: http://www.murdoch.edu.au/students/new/.

Students who are unable to access computer facilities due to exceptional circumstances are able to apply to receive their University correspondence via hardcopy. For further information please contact the External Studies Unit on 93602710.

---

STEP 1  Accept Offer and Activate Account

STEP 2  Research Your Options

STEP 3  Complete Your Enrolment

STEP 4  Select Your Activities

STEP 5  Seek Advice

STEP 6  Go To Orientation and Start Uni

STEP 7  Important Information and FAQs
STEP 1
Accept Offer and Activate Account

☐ Go to the Murdoch Home page …
   … http://www.murdoch.edu.au/ and click on the “New students” link on the bottom left of your screen. This will take you to our New Students website.

☐ Select the Accept & Activate icon

☐ Read the instructions …
   … carefully for your offer type, then click on the “New students…walk this way” icon.

You will need your Offer Letter (Domestic students) or Confirmation of Enrolment-eCOE (International students) as this contains your Student Number.

☐ Enter your Student Number

☐ Enter your Date of Birth …
   … in the format DD/MM/YYYY (eg 12/03/1985) and click the SUBMIT button.

☐ Now you can:
   ☐ Choose to Accept, Defer or Reject your offer (domestic students only)
   ☐ Set your Murdoch Password (all students)
   ☐ Set and confirm your email address (all students)
   ☐ Select your course as offered (domestic students only)

☐ Congratulations …
   … you have accepted your place as a Murdoch student and you are now ready to select your units and complete your enrolment!
STEP 2
Research Your Options

☐ Read your Course/Major Description
The description will provide you with information about your course and major, including recommended double majors and minors and can be found later in this booklet.

☐ Review your Checklist and Unit Prerequisites
The Checklist is the structure of your course and the units you need to complete for your degree. It includes required prerequisites to help you plan the order of your units and can be found later in this booklet.

☐ Review the Sample Enrolments
The Sample Enrolment provides you with a pre-made study plan for your major. Some majors provide you with a choice of units in the requirement, so you may wish to create your own study plan. These can be found later in this booklet.

☐ Choose your units …
…you want to enrol in for the current year by using the information you have reviewed above from the Checklist and Sample Enrolment. You can find out about each unit in the Handbook online [http://handbook.murdoch.edu.au/units/](http://handbook.murdoch.edu.au/units/).

Part I units (100-level units) are taken in the first year. Most of the Part I units are worth 3 points each, this means you will be taking 8 units in your first year, being 4 units each semester. Part II units (200-level and above units) are taken in the second or third year of study. Most Part II units are worth 4 points each, this means that you will be taking 6 Part II units in each of the 2nd and 3rd years, being 3 units each semester. General Electives are ‘free choice’ units. You can use these units to meet the requirements of a second major or a minor. Use the Handbook online [http://handbook.murdoch.edu.au/](http://handbook.murdoch.edu.au/) to help you search for these and for individual unit prerequisites.

☐ Check your Timetable
Generally you should find that the lectures for your core units and specified elective units will not clash, however some general elective units may not fit into your timetable. If this happens you may need to choose another general elective.

You can check the timetable for the units you have chosen for your first semester of enrolment to make sure they are not timetabled to run at the same time.
The quickest method of checking this is to refer to the online teaching timetable’s Nominated Units Enquiry website at: http://www.murdoch.edu.au/admin/timetables/teaching/enquiry.html.

Don’t panic if you are unsure of your choice of units. Do the best you can, and then seek help via:

- **New Student website** [http://www.murdoch.edu.au/students/new/](http://www.murdoch.edu.au/students/new/) provides more details regarding the choices of units and enrolment in units via MyInfo.
- Your **Course Advice Session(s)** where staff will be available to answer your queries about your course. See Step 5 for dates and time of your session.
- **Faculty Student Administration staff member.** You have been allocated a staff member to assist you with your enrolment queries regarding your chosen course, for contact details see Enrolment Enquires later in this booklet. Sample enrolments of popular double majors can be found on the Faculty Student Administration website [http://www.murdoch.edu.au/fsa/](http://www.murdoch.edu.au/fsa/).

- **Now you are ready to enrol …**
STEP 3

Complete Your Enrolment

☐ **Log in to MyMurdoch** …
  … Goto the Murdoch homepage, select “Current Students” right at the top of the page then select “MyMurdoch” to access your portal to Murdoch’s online facilities using your Murdoch User Name (Student Number) and Murdoch Password (as per Step 1).

☐ **Log in to MyInfo**
  Click on the MyInfo Login icon and use your Murdoch User Name (Student Number) and Murdoch Password (as per Step 1). And yes, the University is working on this double login process!

What is MyInfo? MyInfo is the University’s student self enrolment and management system. Within MyInfo you can manage your enrolment including unit selection, unit set (majors, minors) enrolment and activity signup. You can also update your personal details (home and postal addresses, email address etc).

☐ **Go to Self Enrolment Steps**
  Within MyInfo on the left menu, click on <Change Enrolment Details> and then <Self Enrolment Steps>. Read all of the information on this page and then scroll down to the <Self Enrolment Steps> heading. Work your way through each of the steps.

Icons are used to represent the status of each Self Enrolment Step. Each step has an explanation to the process so please read each one carefully.

☐ Disclaimer – statement regarding your use of MyInfo
☐ Services – opportunity to join the Murdoch Student Guild or validate your Transperth Smartrider.
☐ Government Statistics – Government requirement to assist in forward planning.

☐ **Course Completion Date**
  Keeps the university informed of when you expect to graduate, so please keep this up to date as it is very important.

☐ **Unit Sets (Majors and Minors)**
  You will need to have at least one Unit Set recorded as your Primary Unit Set. Your Primary Unit Set must relate to the course and major you are currently enrolled under.
What are Unit Sets? This is the name given to Majors and Minors by MyInfo, and often referred to as a Course. You must have at least one primary unit set on MyInfo that matches the course you were offered (eg. Bachelor of Arts in History, with Primary Unit set of History).

**Units**
This is where you enrol in your individual units. Use the Search function to find the unit you want. You can also just type in the unit code of the unit you wish to enrol in. Do one unit at a time and **Save Changes** after each unit added. Remember to enrol in all of your units for the year.

D = internal, X = external, S1 = Semester 1, S2 = Semester 2.
When you have successfully enrolled in a unit the ‘Status’ column will show ‘Enrolled’ and the background colour will change from grey to blue.

Remember to make sure you have your Pop-Up Blockers turned off when you are in MyInfo as it will affect your ability to save your units.

**Commonwealth Assistance Form (Domestic Students only)**
This is a Commonwealth Government requirement. To complete this you will need your Tax File Number (TFN). If you do not have your TFN handy or have not applied for one from the Australian Taxation Office yet you can come back to this step later, however this step must be completed by the Census Date to avoid having your course cancelled as per Commonwealth Government regulations.

**Check your Current Enrolment Details**
When you have enrolled in all units that you intend to take for the year you are encouraged to view your current enrolment from the Current Enrolment Details menu in MyInfo. Select `<Course and Unit Details>` and then click on the course code next to the Units heading. You will need to check that all of the units that you intend to take for the year are included.

**Unit Status shows as ENROLLED!**
Well done, you have enrolled in your units. Please be aware that your Course Status will remain as Inactive until semester begins.

If you have any trouble getting into or navigating your way around MyMurdoch or MyInfo or have a technical issue, check out the Help link or contact the IT Service Desk (itservicedesk@murdoch.edu.au, p: 93602000 or Level 2, North Wing, Library).
What are Activities? Activities are the collective term used for lectures, tutorials, workshops, seminars and laboratories and only relate to internal units. There are no Activities for external units.

**Sign up for your Activities**
You will need to have completed your Unit Enrolment (Step 3) before you can sign up to the associated activities.

Log in to MyMurdoch and then MyInfo as per Step 3. On the left menu, click on <Change Enrolment Details> and then <Activity Sign Up>. Read all of the information as it will tell you when the Activity Sign Up function is open.

The system works on a first-in-first-served basis so you are advised to enrol in your activities as soon as possible.

Click on <Add or Change Activities>. Read all of the information and then scroll down to see your Unit enrolments and the available activities.

Although signing up to a Lecture activity may not be mandatory for all units, it is recommended that you do to highlight any possible clashes on your timetable. If your unit attempt status is ‘Invalid’, you will be unable to sign up for activities for that unit.

**Select Activities**
Make your selections for the different activities. It is recommended that you start with all your lectures first and save. Then choose the other associated activities for each unit, saving as you go. Be sure you also note the start week for each activity as they may not all start from Week 1 of Semester.

**View Personal Calendar**
Click on the MyUnits page of MyMurdoch to see all of your activities displayed on your Personal Calendar, in a week-by-week format. Please note that it may take 15 minutes or more for any enrolment changes to be reflected in the calendar.
STEP 5
Seek Advice

Your Program Chair(s) will advise you on the requirements of your course and answer any unit selection and enrolment queries at your Course Advice Session held before the start of the semester. This session will provide you with valuable information relating to your course, units and enrolment options and it is therefore essential that you attend.

☐ When and Where is your Course Advice Session?
   When: Wednesday, January 28 at 6.00 p.m.
   Where: ECL 1 (Economics, Commerce and Law Lecture Theatre 1)
   Who: Veterinary Science, Biomedical Science and Animal Science

You are expected to attend this session, however if you cannot make it or you receive your offer after this date, the Course Advice Session will be repeated during Orientation Week.

For further information on all events and sessions occurring during Orientation week see the timetable at: http://www.murdoch.edu.au/students/new/orientation.html.

There are online maps of the three campuses for Murdoch at http://www.murdoch.edu.au/index/visitors/wherearewe#campuses The maps will provide details of where the course advice venues are.

If you are still unsure of your choice of units after you have read this booklet and you have attended the relevant Course Advice Session you can email or phone your Faculty Student Administration staff member with details of your query.
The Orientation program has been designed to meet your specific needs as a new student to Murdoch University and will help you with a smooth transition to University studies. To experience and benefit from all the advice that is available during Orientation week you would be required to attend at least 2 days. We encourage you to take advantage of this time to familiarise yourself with the campus, the support services available and to make friends and enjoy yourselves.

You can check the full orientation timetable (http://www.murdoch.edu.au/students/new/orientation.html) for event and Course Advice Session details.

Orientation Week will commence on Monday 9th February. Closer to this date you will be sent detailed information on the events and session happening during Orientation Week that you need to attend.
Important Information and FAQs

**General Electives – What are they, where can I find them?** A General Elective is a unit that is not a required unit (that is not a Core Unit or Specified Elective) for your major or course. It can be selected from outside your primary area of study and may form part of a second major or minor. There is no single ‘list’ of General Electives. You can select General Electives by taking the units that make up a second major or minor or by looking at the online Handbook complete list of units available [http://handbook.murdoch.edu.au/units/](http://handbook.murdoch.edu.au/units/).

**Units – Which units do I need to do and how do I know that I have enrolled in the right units?** Your Checklist of Units and Prerequisites and Sample Enrolment in this booklet show you which are your required units. The Sample Enrolments for other majors are available from the Faculty Student Administration website [http://www.murdoch.edu.au/fsa/](http://www.murdoch.edu.au/fsa/).

**Invalid Units – Why is my unit enrolment INVALID?** Beside the invalid unit, you will find a grey button labelled ‘Why is this Invalid?’. When you click on this button, a pop-up window will display the reason that the unit is invalid. If you still require help, print off or copy down this information before contacting your Faculty Student Administration staff member.

**Activities – How do I sign up & what do I do if they are full?** Use Step 4 to assist you with your Activity sign up within the MyInfo part of MyMurdoch. If your chosen Activity is full, there are three options available: review your whole timetable to check if you can change to another unit, consider doing a unit externally (if available), or contact the Unit Coordinator if you have exceptional circumstances. Unit Coordinator contact details can be found by entering the unit code in the search bar on the MyUnits page of MyMurdoch.

**Where can I find my credit and exemptions (Advanced Standing)?** If you have notified the University that you wish to be assessed for Advanced Standing (either on your application or via contact with the Accreditation Officer), your credit and exemptions will be shown on the MyInfo part of MyMurdoch. Go to ‘Current Enrolment Details’, select `<Course and Unit Details>`, scroll down the list to ‘Advanced Standing’ and click on course code next to this heading (e.g. B1137). Allow at least 10 working days from receipt by the University of your application and supporting documentation before this information will be available on your enrolment record. Should you have any queries regarding Advanced Standing you should contact the Accreditation Officer.
Enrolment Deadlines – Internal and External units. You will be expected to enrol in all your units for the current year as soon as possible. The last date to add a unit is the end of Week 1 of Semester. For external units, the mail-out of unit materials will commence two weeks prior to the start of each Semester, so you should enrol in your external units as soon as possible. If you enrol in an external unit you should allow up to 10 days from the date you enrolled to receive your materials.

University Regulations and Rules Students should ensure they are familiar with the University’s internal legislation, including provisions specifically relevant to their studies. University Regulations and Rules - see http://www.murdoch.edu.au/admin/legsln/

How do I add or change my course, major or minor? To change your course entirely will require a course transfer which can only be applied for near the end of each semester. The relevant course transfer form, Amend Course Details, can be found at http://www.oss.murdoch.edu.au/forms/. Most second majors and minors can be added or changed under ‘Unit Sets’ in the ‘Self Enrolment Steps’ on the MyInfo part of MyMurdoch.

Email Account & Correspondence The University’s primary form of contact with students is via email. The University automatically provides you with an email address, (yourstudentnumber@student.murdoch.edu.au) and you can access this email account at: https://wwwstudent.murdoch.edu.au/mail using your Murdoch User name and Password (same as MyMurdoch). You can choose to use a different email account, for example a Yahoo account. It is essential that you keep the email address listed in the MyInfo page of MyMurdoch up to date so that you receive important communications from your lecturers and the University.

Cancellation of Courses, Minors and Units The University reserves the right to cancel, without notice, any course, major, minor or unit if the number of students enrolled falls below limits set by the University.

Glossary A general summary to help you with some of the more common terms that you will come across as you plan your studies can be found on the Faculty Student Administration web page. A full list of Murdoch terminology and relevant regulation requirements can be found in the Murdoch Glossary (http://handbook.murdoch.edu.au/2008/09_glossary.pdf).
## Veterinary Science (BVMS, BSc) – Course Description

<table>
<thead>
<tr>
<th>School</th>
<th>School of Veterinary and Biomedical Sciences</th>
</tr>
</thead>
</table>
| Qualifications     | Bachelor of Science (BSc) in Veterinary Biology  
|                    | Bachelor of Veterinary Medicine and Surgery (BVMS) |
| Credit Points for Course | 120 |
| Course Codes       | B1058 |
| Description        | Veterinary Science is a major health profession with its own system of education, registration, organisation and ethics. Veterinarians are highly trained in skills of diagnosing, treating and preventing health problems in pets, domestic livestock, wildlife and laboratory animals. Additional areas of interest for veterinarians are increasing the productivity of healthy animals and maintaining standards of food production, animal research and public health.  
This five-year course of study leads to a registrable professional qualification in veterinary medicine. A degree of Bachelor of Science is awarded after the successful completion of the first part of the course and is a prerequisite for entry to the final part of the course that leads to the degree of Bachelor of Veterinary Medicine and Surgery (BVMS).  
There is an entry quota. |
| Special Requirements | Veterinary Science is an animal-based course. Students are required to participate in practical work involving living and dead animals and/or tissue from animals throughout the course. |
| Professional Recognition | Graduates are eligible for registration to practice veterinary medicine without further examination in Australia and a number of other countries including Great Britain, New Zealand, Malaysia, South Africa, Singapore and Hong Kong. The degrees are also recognised by the American Veterinary Medical Association which, after passing the appropriate National or State licensing examinations, makes Murdoch graduates eligible to practice in the USA and Canada. |
VETERINARY SCIENCE (BVMS, BSC) CHECKLIST OF UNITS AND PREREQUISITES 2009

School of Veterinary and Biomedical Sciences
Bachelor of Science (BSc) in Veterinary Biology Bachelor of Veterinary Medicine and Surgery (BVMS)

COURSE PREREQUISITES

Students who have not completed these units will be required to pass them prior to commencing the first year of the course.

- PEC140 Introduction to Chemistry — 3 pts
  Murd: S1-Int, S1-Ext, S2-Int, S2-Ext
  OR
  Year 12 Chemistry with a final scaled score of more than 60%.

- MAS183 Statistical Data Analysis and Databases — 3 pts
  Murd: S1-Int, S1-Ext, S2-Int, S2-Ext

- BIO152 Cell Biology — 3 pts
  Murd: S2-Int

VETERINARY BIOLOGY (BSC)

The Veterinary Biology degree encompasses both normal and abnormal aspects of vertebrate structure and function. The first year comprises six units which cover animal development, structure, function and metabolism. The second year also comprises six units which cover general aspects of the causes and nature of disease and its control.

A degree of Bachelor of Science is awarded after successful completion of two and a half years of Part II studies. It is a basis for an extra 'sidestep' year of research work in some aspect of veterinary biology, leading to an honours degree. However, it is expected that most students will proceed directly into fourth and fifth year to complete the BVMS in the minimum time.

Course Structure — 60 points

Part II — 60 points
Core Units — 60 points

Year 1
- VET240 Veterinary Anatomy 1 — 4 pts
  Murd: S1-Int
- VET241 Veterinary Biochemistry — 4 pts
  Murd: S1-Int
- VET243 Veterinary Physiology II — 4 pts
  Murd: S2-Int
- VET244 Veterinary Physiology I — 4 pts
  Murd: S1-Int
- VET212 Veterinary Anatomy II — 4 pts
  Murd: S2-Int
- VET242 Animal Systems I — 3 pts
  Murd: S2-Int
- VET209 Veterinary Professional Life I — 1 pts
  Murd: ASP1-Int

Year 2
- VET340 Processes in Animal Disease — 4 pts
  Murd: S1-Int
- VET341 Veterinary Microbiology — 4 pts
  Murd: S2-Int
- VET346 Veterinary Nutrition and Animal Toxicology — 4 pts
  Murd: S1-Int
- VET342 Animal Systems II — 3 pts
  Murd: S1-Int
- VET347 Veterinary Immunology and Molecular Genetics — 4 pts
  Murd: S2-Int
- VET344 Veterinary Parasitology — 4 pts
  Murd: S2-Int
- VET348 Veterinary Professional Life II — 1 pts
  Murd: ASP1-Int

Year 3
Semester 1
- VET345 Veterinary Pharmacology and Chemotherapy — 4 pts
  Murd: S1-Int
- VET343 Veterinary Diagnostic Pathology — 4 pts
  Murd: S2-Int
- VET442 Animal Systems III — 3 pts
  NA 2009
- VET429 Veterinary Professional Life III — 1 pts
  NA 2009

APPLIED VETERINARY MEDICINE (BVMS)

A further two and a half years of study in Applied Veterinary Medicine leads to a degree of Bachelor of Veterinary Medicine and Surgery (BVMS) which is a registrable veterinary qualification. Merit honours may be awarded upon completion of the BVMS.
The latter years are directed towards the acquisition of knowledge and skills required to diagnose, prevent and treat disease in animals and to optimise animal health and productivity.

Course Structure — 60 points

Part II — 60 points

Core Units — 60 points

Year 3  Semester 2
Veterinary Medicine and Surgery I — 12 points

Year 4  Semester 1
Veterinary Medicine and Surgery II — 12 points
□ VET558 Veterinary Professional Life IV — 1 pts NA 2009

Year 4  Semester 2
Veterinary Clinics and Externships

Year 5  Semester 1
Continuation of Veterinary Clinics and Externships

Full Year
□ VET5380 Veterinary Professional Life V — 1 pts NA 2009

Year 5  Semester 2
Veterinary Electives — 12 points

PREREQUISITES — VETERINARY SCIENCE
(BVMS, BSC)
□ Animal Systems I (VET242)
Prerequisites: Enrolment in Veterinary Biology.

□ Animal Systems II (VET342)
Prerequisites: Enrolment in Veterinary Biology, VET242 Animal Systems I.

□ Animal Systems III (VET442)
Prerequisites: Enrolment in Veterinary Biology, MAS183 Statistical Data Analysis and Databases, VET342 Animal Systems II.

□ Cell Biology (BIO152)
Prerequisites: A thorough knowledge of Year 12 secondary level Chemistry is assumed. Students who did not achieve a final scaled score of 61% or more in TEE Chemistry within the three years immediately preceding enrolment are required to pass M140/PEC140 Introduction to Chemistry or PEC144 Chemical Principles or M114/PEC114 Chemistry for Biological Sciences or M115/PEC115 Chemistry for Environmental Science or M116/PEC116 Chemistry for Physical Sciences prior to enrolling.

□ Introduction to Chemistry (PEC140)
Prerequisites: This unit is for students with a weak background in chemistry. Students with a final scaled score of more than 60% in TEE Chemistry within the past three years may be excluded from the unit. A knowledge of basic mathematics will be assumed.

□ Processes in Animal Disease (VET340)
Prerequisites: Enrolment in Veterinary Biology, VET212 Veterinary Anatomy II or VET108 Topics in Comparative Mammalian Anatomy; VET240 Veterinary Anatomy I; VET244 Veterinary Physiology I; VET243 Veterinary Physiology II; VET241 Veterinary Biochemistry.

□ Veterinary Anatomy I (VET240)
Prerequisites: Enrolment in Veterinary Biology. Recommended: ANS102 Introduction to the Animal Body.

□ Veterinary Anatomy II (VET212)
Prerequisites: Enrolment in Veterinary Biology, VET240 Veterinary Anatomy I.

□ Veterinary Biochemistry (VET241)
Prerequisites: Enrolment in Veterinary Biology, VET108 Topics in Comparative Mammalian Anatomy.

□ Veterinary Diagnostic Pathology (VET343)
Prerequisites: Enrolment in Veterinary Biology, VET340 Processes in Animal Disease.

□ Veterinary Microbiology (VET341)
Prerequisites: Enrolment in Veterinary Biology.

□ Veterinary Nutrition and Animal Toxicology (VET346)
Prerequisites: Enrolment in Veterinary Biology, VET241 Veterinary Biochemistry or BMS261 Human & Comparative Biochemistry or BIO270 Biochemistry I.

□ Veterinary Parasitology (VET344)
Prerequisites: Enrolment in Veterinary Biology. Recommended: ANS102 Introduction to the Animal Body.

□ Veterinary Pharmacology and Chemotherapy (VET345)
Prerequisites: Enrolment in Veterinary Biology.

□ Veterinary Physiology I (VET244)
Prerequisites: Enrolment in Veterinary Biology, VET240 Veterinary Anatomy I and VET244 Veterinary Physiology I.

□ Veterinary Physiology II (VET243)
Prerequisites: Enrolment in Veterinary Biology, VET240 Veterinary Anatomy I and VET244 Veterinary Physiology I.

□ Veterinary Professional Life I (VET209)
Prerequisites: Enrolment in Veterinary Biology Year 1.

□ Veterinary Professional Life II (VET348)
Prerequisites: Enrolment in Veterinary Biology Year 2; VET209 Veterinary Professional Life I.

□ Veterinary Professional Life III (VET429)
Prerequisites: As for VET329: Enrolment in Veterinary Biology; Veterinary Professional Life II.

□ Veterinary Professional Life IV (VET558)
Prerequisites: Enrolment in Applied Veterinary Medicine. Veterinary Professional Life III.

□ Veterinary Professional Life V (VET5380)
Prerequisites: Enrolment in Applied Veterinary Medicine.
Veterinary Science (BVMS, BSc) – Sample Enrolment 2009

Students who have not completed these units will be required to pass them prior to commencing the first year of the course.

PEC140 Introduction to Chemistry - 3pts
Murdoch: S1-internal, S1-external, S2-internal, S2-external

**OR**

Year 12 Chemistry with a final scaled score of more than 60%

Program Chair & Academic Contact Details

Veterinary Science, Dr Martin Cake  
M.Cake@murdoch.edu.au, ph: 08 9360 2175, VB 1.007

Correct at time of printing. For the most up-to-date list of Academic contacts, please consult: http://www.murdoch.edu.au/contacts/academic/.

Enrolment Enquiries

Enrolment advice will be provided at the Course Advice Sessions in January and repeated during Orientation Week. If you have attended one of these sessions and still have enrolment queries, please contact your Faculty Student Administration staff member.

Julie Daniell, Student Administrative Officer  
j.daniell@murdoch.edu.au  
Education and Humanities Building Room 2.002  
ph: 08 9360 7294  
http://www.murdoch.edu.au/fsa/

The New Students website (http://www.murdoch.edu.au/students/new/) will also assist you with links to enrolment procedures, sample enrolments, including unit selection for common double majors, Fees, Orientation and Services and Facilities.
