2009 Semester 2
Postgraduate Orientation

Date: Sunday 26 July 2009
Time: 3.00pm – 6.00pm
Venue: Kim E Beazley Lecture Theatre
South St Campus

Coming to Murdoch, you’ll discover that you’re on the right track to achieving the postgraduate qualification that you’re looking for. In fact the Good Universities Guide, an independent national publication, has awarded us its top five-star ranking for student satisfaction for the 13th time in 14 years.

Murdoch is the only university in Australia to have so consistently earned these rave reviews.

At Orientation, we’ll welcome you to Murdoch and run through some of the supports available and resources that you’ll need during your time with us. Then we’ll break out into Faculty sessions so that you can hear from, and speak to, academic staff in your field. All of your questions can be answered and you’ll have a better understanding of what your life will be like as a Murdoch postgrad.

Orientation is an important part of your becoming an outstanding postgraduate student: we strongly encourage you to attend.
