Please note that Murdoch University has opted into Streamlined Visa Processing (SVP). This means that Murdoch assesses whether each student visa applicant is a Genuine Student (GS) and Genuine Temporary Entrant (GTE): http://www.immi.gov.au/students/_pdf/2011-genuine-temporary-entrant.pdf

As part of this process, Murdoch looks at an applicant’s English language capability, financial resources, and previous study. To enable Murdoch University to effectively assess whether students are GS and GTE, we have engaged agents in your country to assist you with the process of applying to Murdoch University and for your student visa if you are successful in gaining a place.

Engaging our Murdoch University agents will mean that:

(a) You will be fully informed and more prepared when applying for your student visa, and you will understand your obligations as an International student visa holder in Australia.
(b) You will increase your chances of being offered a place at Murdoch University as your agent will advise you on the documents required.
(c) You will increase your chances of getting a student visa as your agent will counsel and assist you through the process.

Applicants from the above countries are therefore required to submit their applications to Murdoch University via one of our registered agents. To locate an agent in your country or region, please go to the following link: http://www.murdoch.edu.au/Future-students/International-students/Contact-us/Finding-a-local-agent/

If there is no registered agent in your country we request you contact an agent in a neighbouring country via email or telephone to arrange for your application to be processed.

If your country of residence does not appear on the above list you can apply online directly to the university: https://onlineapplications.murdoch.edu.au/connect/webconnect
