

STANDARD TEACHING AND RESEARCH POSITION DESCRIPTION

Position	Senior Lecturer in Veterinary Biochemistry and Nutrition
Level/ Classification	ACSLC
Reports to	Head of School – Agricultural Sciences
Division	Agricultural Sciences
College	Environmental and Life Sciences

Position Purpose

A Senior Lecturer in Veterinary Biochemistry and Nutrition is expected to make a significant contribution to teaching, supervision and to develop scholarly research and professional expertise relevant to the profession or discipline.

This position makes a significant contribution to the teaching activities within the School through the coordination, preparation and delivery of learning activities, curriculum design and curriculum quality review.

Academic staff at this level will also be involved in a broad range of administrative and service functions in the College and across the University, and professional activities within the discipline.

About Murdoch University

Murdoch University is a young and dynamic university with a foundational commitment to the environment, social justice and inclusion, and making education accessible to more people. Founded as Western Australia's second university in 1974, today, Murdoch has more than 21,000 students and 1,700 staff across campuses in Perth, Singapore and Dubai. With more than 90,000 Alumni, Murdoch graduates can be found all over the world, making a positive difference.

Our Strategy – Ngala Kwop Biddi. Building a brighter future, together – guides the University's direction and reaffirms our shared purpose to change lives and society for the better through accessible education and research.

The Strategy is focused on three key themes:

- Sustainability: Be a leading university in education, teaching and translational research in sustainability.
- Equity, Diversity, and Inclusion: Build a welcoming, diverse and inclusive community.
- First Nations: Become the University of first choice for First Nations peoples.

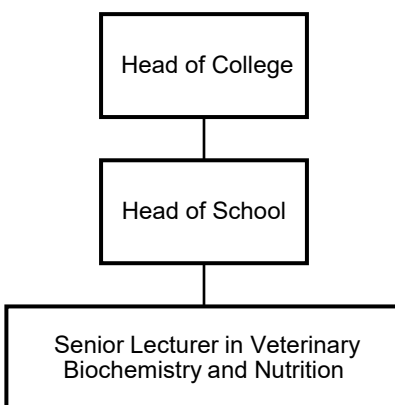

Murdoch is also committed to building engagement with our local community, State, Nation, and global society with a track-record in creating strong partnerships with business, government and industry.

About the Work Area

This position is within the School of Agricultural Sciences (College of Environmental and Life Sciences). Collaboration with relevant research Centres is strongly encouraged, and this collaboration is an important enabler of School and University strategic plans. Relevant Centres include (but are not limited to) the:

- WA State Agricultural Biotechnology Centre
- Centre for Animal Production and Welfare
- Centre for Crop and Food Innovation
- Centre for Sustainable Farming Systems
- Centre for Biosecurity and One Health

Reporting Relationships

Key Responsibilities / Duties

1. Contribute to teaching within the discipline, including unit coordination, preparing and delivering lectures, tutorials, seminars, practical classes, demonstrations, workshops and/or fieldwork.

Desirable

1. Demonstrated success as a leader in teaching and learning, research, and/or administrative activities in a university environment

Work Requirements

1. Ability to work outside of normal office hours when required.
2. Australian permanent residency or possession of a valid visa with work entitlement in Australia.

Probationary Review

This position may be subject to a probationary period, during which time the academic staff member is required to meet set probationary objectives and pass a probationary review. Probationary objectives are set following appointment to the position and confirmed at the first Academic Contribution Development Conversation (ACDC).

General Obligations

While at work, an employee must:

- take reasonable care for their own health and safety and ensure that their acts or omissions do not adversely affect the health and safety of other persons;
- report incidents, injuries and hazards;
- comply with any reasonable instruction that is given by Murdoch University; and
- comply with Murdoch University policies and procedures.

Academic Career Framework

Murdoch University's Academic Career Framework provides a transparent, equitable and consistent approach to probation and promotion as well as outcome and workload expectations. Please refer to the Murdoch University Academic Career Framework for performance criteria and expectations for all academic positions.

Guiding Principles and Values / Code of Ethics and Code of Conduct

Our Values

- Authenticity
- Integrity
- Respect
- Inclusivity
- Openness

Our Principles

- Act with justice, respect and responsible care.
- Be collegiate and respectful of other points of view.

- Protect academic freedom.
- Be agile, flexible and resilient.
- Make decisions at the most appropriate level.
- Be transparent in decision-making and with information.
- Adopt common approaches to common tasks.
- Be careful stewards of our resources.

All staff will comply with the University's Code of Ethics and Code of Conduct and demonstrate a commitment to its Equity, Diversity and Safety principles and the general capabilities of personal effectiveness, working collaboratively and demonstrating a focus on results.

All Staff undergoing a probation period are required to set probationary objectives with their leader within 3 months of commencement.

We acknowledge that Murdoch University is situated on the lands of the Whadjuk and Binjareb Noongar people. We pay our respects to their enduring and dynamic culture and the leadership of Noongar elders past and present. The boodjar (country) on which Murdoch University is located has, for thousands of years, been a place of learning. We at Murdoch University are proud to continue this long tradition.
