Murdoch is a truly international, research-led university full of free-thinking students from a range of backgrounds. Murdoch offers flexible study programs and entry pathways to provide our diverse student population the greatest chance to succeed.

Whether you’re still at high school or your school days were a while ago, there are several admission pathways into your chosen course. Course admissions pathways and application requirements have not changed recently so the information in this document simply supplements admission requirement information available on our website.

Accreditations and/or endorsement by professional bodies

This course is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC). When you graduate, you’ll be eligible for registration in the Registered Nurse Category of the Register at the Australian Health Practitioner Regulation Agency and the Nurses and Midwives Board of Australia.

Work based learning, internships and work placements available

You will experience a range of metro, regional and remote clinical placements, and will complete 18 weeks of work experience as part of your degree.

Admission pathway options

To help understand admission pathway options and the entry requirements for the Bachelor of Nursing information has been grouped into the following sections:

• Essential requirements; information for all applicants
• Recent secondary education; information for applicants who have completed secondary education within the past two years
• Higher education; information for applicants who have successfully completed higher education units or courses including bridging or enabling courses
• Vocational education and training; information for applicants who have successfully completed VET courses
• Work and life experience; information for applicants who either completed secondary education more than two years ago or applicants who wish to use their work and life experience to demonstrate suitability for admission

Admission Criteria

All applicants must satisfy Murdoch’s English Language requirements. For applicants who are applying for entry through an admissions pathway which is not recent secondary education they must meet additional English Language requirements listed below:

1. English must be your primary language and have satisfactorily completed a least six years of primary and secondary education taught and assessed in English in a recognised country (Australia, Canada, New Zealand, Republic of Ireland, South Africa, United Kingdom or United States of America). At least two of these six years must have been between the years of 7 and 12.

2. If you cannot provide the evidence of schooling you must demonstrate competence via IELTS (or equivalent English test) with a minimum overall score of 6.5 with no band less than 6.5 in each of the four components.

3. STAT written English is only accepted as demonstrating English competency if accompanied with evidence of schooling.

Essential requirements

All applicants must satisfy Murdoch’s English Language requirements.

Students should note that immunisation is required according to Category A, Schedule 1 of the University policy on Immunisation. Other vaccinations may be required when treating special populations.

All students will be required to attain a Working With Children Check and a National Criminal History Check before commencing any work placements.

Applicants with recent secondary Education

Have you completed secondary education within the past two years? The following information will help you choose the most suitable admission pathway.

ATAR-based admission

You can choose to apply using your ATAR if you achieve the minimum Selection Rank required to be considered for admission.

• Lowest ATAR to which an offer was made in Semester 1 2019: 60.20
• Lowest Selection Rank to which an offer was made in Semester 1 2020: 70.00
• Minimum Selection Rank required for consideration: 70.00
Selection Rank adjustments
Some applicants are eligible for Murdoch RISE adjustment factors to increase their Murdoch Selection Rank. Full Murdoch RISE details are available within our Murdoch Admission Information.

Murdoch RISE
Murdoch RISE is intended to provide an adjustment factor to increase the Murdoch University Selection Rank for eligible students to support access to university for students from Regional, Indigenous and low Socio-Economic backgrounds.

If you achieved an ATAR of 60.00-89.95 a Murdoch RISE adjustment factor of up to 10.00 points may help you get into your preferred course. A Murdoch RISE adjustment factor can increase your Selection Rank up to a maximum of 90.00. There’s no application or need to register. If you are eligible, the adjustment factor is automatically added to your raw ATAR score when you apply.

ATAR profile
The ATAR profile of the course provides an indication of the range of applicants given offers in the last relevant admission period.

The data is presented in a following table, showing raw ATAR data without adjustment factors alongside Selection Rank data. This highlights the impact of the Murdoch RISE program.

Extenuating circumstances
Murdoch University will consider applications from prospective students whose education has been compromised due to genuine hardship, resulting in them falling short of entry requirements for an undergraduate course.

The hardship must be evidenced, and each application is reviewed by an Extenuating Circumstances committee in the weeks leading up to course offers being released.

As well as the hardship being evidenced, applicants must demonstrate they are ready (via school reports, professional references) and willing to succeed at tertiary studies.

Applicants with higher education
Have you passed at least 2 tertiary level units at an Australian University? Or have you successfully completed an enabling or bridging course at an Australian University in the past two years? You can apply for admission via our pathway for applicants with prior higher education. This pathway is detailed within our Murdoch Admission Information.

Completed bridging or enabling course
Murdoch offers a number of enabling courses to assist prospective students who do not currently meet any admission pathway requirements. Applicants who complete one of the following enabling course are able to apply direct to Murdoch for admission into many of our courses including our Bachelor of Nursing. Please see the list and description of enabling courses below.

Applicants with vocational education and training (VET)
Have you completed a Certificate IV or higher VET qualification? You can apply for admission via our pathway for applicants with a VET qualification. This pathway is detailed within our Murdoch Admission Information.

Applicants with work and life experience
Have you completed secondary education more than two years ago or is your secondary education incomplete? Murdoch has a number of admission pathways available with different requirements for you to consider. These are:

- ATAR/selection rank
- Completion of an enabling course

ATAR-based admission
You can choose to apply using your ATAR if you achieve the minimum Selection Rank required to be considered for admission.

- Lowest ATAR to which an offer was made in Semester 1 2019: 60.20
- Lowest Selection Rank to which an offer was made in Semester 1 2020: 70.0
- Minimum Selection Rank required for consideration: 70.00

Selection Rank adjustments
Some applicants are eligible for Murdoch RISE adjustment factors to increase their Murdoch Selection Rank. Full details are available within our Murdoch Admission Information.

Special Tertiary Admissions Test (STAT)
The STAT is a nationally-recognised test which assesses your abilities for learning at university. It focuses on critical thinking and reasoning skills rather than specific knowledge.

For entry into our Bachelor of Arts courses, you'll need to achieve a STAT score of at least 140 in the Written English section and 135 in the Multiple Choice section for tests taken after February 2010. If you took the test before February 2010, you need a minimum score of 145 in both the Written English and Multiple Choice sections. Register for one of our STAT preparation courses or book through TISC to sit the STAT. To book a STAT visit the TISC website.

Enabling courses
Murdoch also has a number of enabling courses to assist prospective students who do not currently meet any admission pathway entry requirements. Enabling courses are valid for two years from completion.

Murdoch Institute of Technology (MIT)
MIT offers a University Preparation Course that is ideal for students. For further information please visit Murdoch Institute of Technology.

OnTrack
Ontrack is a free 14-week, on-campus enabling program and admission pathway. For further information please visit Murdoch OnTrack.

OnTrack Sprint
Free 4-week, on-campus enabling program and admission pathway. You are eligible for entry to OnTrack Sprint if you have completed your WACE in the last 18 months, generated an ATAR between 60.00-69.95 (or an ATAR of 55.00-59.95 if you are from a school eligible for ATAR RISE) and have demonstrated English competency. For further information please visit Murdoch OnTrack Sprint.

FlexiTrack
Flexitrack is a free online university enabling course and admission pathway that you can study intensively over 10 weeks, full-time over 20 weeks, or part-time over 12 months.

For further information please visit Murdoch FlexiTrack.

Kulbardi Aboriginal Centre
Kulbardi provides entry pathways for Indigenous people who haven’t received an ATAR or completed Year 12. For further information please visit Kulbardi.

TLC110 Learning for Tomorrow
This is a free course where students must attend TLC110 classes once a week February through to September while completing their WACE.

You will be eligible to apply direct to Murdoch University if you:

1. Pass TLC110 (this includes meeting attendance requirements)
2. Achieve a scaled score of 50+ in ATAR English or a grade of ‘C’ or better in General English
3. Achieve your Western Australian Certificate of Education

For further information please visit TLC110 Learning for Tomorrow.

STAT preparation course
Murdoch’s Centre for University Teaching and Learning offers a STAT Preparation Course which is useful and recommended as an introduction for students who do not feel confident in doing a test or who haven’t studied for a while.

For more information about the STAT Preparation course contact 9360 2142 or email CUTL@murdoch.edu.au.

For more information about the STAT visit the TISC Website.

International students
Entry pathways for international students at: International admission requirements.
Advanced standing
You may be entitled to credit for prior learning, whether formal or informal. Formal learning can include previous study in higher education, vocational education or adult and community education. Informal learning can include on the job learning or various kinds of work and life experience. Credit can reduce the amount of study needed to complete a degree. Further information can be found at Advanced Standing.

How to apply
Applicants with recent secondary education can apply through TISC for Semester 1. All other applicants can apply directly to Murdoch in Semester 1 and Semester 2. Further information on applying through TISC and directly can be found here.

ATAR Profile
This table provides an ATAR profile for those offered places wholly or partly on the basis of ATAR in Semester 1 2019 for the listed courses/majors in this document.

<table>
<thead>
<tr>
<th>ATAR-based offers only; across all offer rounds</th>
<th>ATAR (Excluding adjustment factors)</th>
<th>Selection Rank</th>
</tr>
</thead>
<tbody>
<tr>
<td>Highest rank to receive an offer</td>
<td>92.85</td>
<td>92.85</td>
</tr>
<tr>
<td>Median rank to receive an offer</td>
<td>73.00</td>
<td>78.20</td>
</tr>
<tr>
<td>Lowest rank to receive an offer</td>
<td>60.20</td>
<td>70.00</td>
</tr>
</tbody>
</table>

Student Profile
This table lists the likely peer cohort for new students at the institution for the courses/majors listed in this document. It provides data on students that commenced undergraduate study and passed the census date in the most relevant intake period.

<table>
<thead>
<tr>
<th>Applicant background</th>
<th>Semester One 2019</th>
<th>Percentage of commencing students</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Number of students</td>
<td></td>
</tr>
<tr>
<td>(A) Higher education study (includes a bridging or enabling course)</td>
