Request for a Commonwealth supported place and HECS-HELP loan

You must use this form to accept your enrolment in a subsidised Commonwealth supported place (CSP) and to apply for a HECS HELP loan. A student enrolled in a CSP is called a Commonwealth supported student.

What is a CSP and what is a HECS HELP loan?

The total cost of a CSP is split into two parts: the Australian Government (Government) pays one part - this is a subsidy, and you pay the other part - this is called your student contribution amount.

You will either pay your student contributions upfront, or you can use a HECS HELP loan. If you do not pay your student contributions (either upfront or with a HECS HELP loan) by the census date, then your provider will cancel your enrolment in the CSP.

How to complete this form

You must:

➤ read the Commonwealth supported places and HECS-HELP information booklet before completing the eCAF. You can download your copy from www.studyassist.gov.au. This booklet contains detailed information about:
   ➤ who can get a CSP and how it works;
   ➤ who can get a HECS HELP loan and how it works;
   ➤ the terms and conditions of the loan, and
   ➤ an explanation of the words and terms used on the eCAF.

➤ complete each question. Your form will not be valid unless each question is completed correctly; and

➤ submit the eCAF on or before the census date for your unit(s) of study. Note that your institution may set an earlier administrative date for the submission of the form - check with your institution.

Check all information carefully. Some of the information on this form is supplied by your provider. You should thoroughly check these details and if any of the information on this form is incorrect, do not submit. Please notify your provider of any incorrect information.

You must:

➤ complete this form if you are a Commonwealth supported student;

➤ complete each question that is relevant to you. Your form will not be valid unless each question is completed correctly; and

➤ submit the completed form to the student administration/enrolments office at your Institution (Institution) on or before the census date for your unit(s) of study. Note that your institution may set an earlier date for the submission of the form - check with your Institution.

You will be given a copy of this form for your records.

IMPORTANT:

➤ The government issued duplicate form is the only valid paper version of this form. PDF printouts are not valid and you will not be eligible for Commonwealth assistance if you submit a PDF printout of this form.
